(i) This LLB plan allows completion of the LLB degree programme in four years, but it involves a heavier than normal load in two of those. There is no need to complete within the minimum timeframe, and students may wish to enrol for a more manageable load by extending the overall timeframe.
(ii) In Year 2 and Year 3, the order of LAW 201-241 can be varied. This diagram shows just one possible arrangement. When planning your Year 2 enrolment, make sure to check the requisites for your preferred Law electives so you select the courses that will allow you to enrol in Year 3.
(iii) Students are unable to participate in a 60-point or 120-point Law Exchange with this arrangement.
