NZ ENGINEERING SCIENCE COMPETITION

Do you have what it takes to win $1000?

What: A day long problem solving competition for teams of 3–4 students.

How: Students use their skills in mathematics, physics, computing, logical thinking and writing to answer a problem revealed on the morning of the competition.

When: 10am to 6pm on Saturday 5 August. Registration opens June and closes Friday 28 July 2023.

Who: Senior secondary students plus a teacher to supervise.

Why: A chance for fame, fortune and fun! If your team wins you get $1000 each (and your teacher gets $500)

Where: At your school.

Run by: The Department of Engineering Science and Biomedical Engineering

Sponsored by: Orion Health and Fisher & Paykel Healthcare
