Please say "not really"  
so that I can keep my  
job! 😊

# Employability

***I have this thing where I get older, but just never wiser.***

1. Explore the world beyond your studies.
2. Start thinking about your career early – and take action.
3. Build and refine your passion – don't just wait to "discover" it.
4. Be genuinely curious about other people.
5. Get involved in things that matter to you.

# Top 10 skills on the rise

1.  Creative thinking	6.  Systems thinking
2.  Analytical thinking	7.  AI and big data
3.  Technological literacy	8.  Motivation and self-awareness
4.  Curiosity and lifelong learning	9.  Talent management
5.  Resilience, flexibility and agility	10.  Service orientation and customer service
