Applicable study:	Undergraduate or postgraduate study in Geology
Closing date:	By nomination
Tenure:	Prize
For:	Prize
Number on offer:	One
Offer rate:	Annually
Value:	\$600

Description

This Prize was established by subscriptions from past and present students and staff of the Geology Department at Auckland University, as well as from other professional colleagues, as a tribute to Professor A. R. Lillie upon the occasion of his retirement after holding the Chair in Geology at Auckland from 1951 to 1974.

Selection process

- Nomination is made to the Scholarships Office
- The Prize is awarded on the recommendation of the Director of the School of Environment

Regulations

1. The Prize will be known as the Arnold Lillie Prize in Geology.
2. The value of the Prize will be \$600 and it will be awarded together with one appropriately inscribed bookplate.
3. The Prize is intended to encourage a high standard of field work by students of Geology at the University of Auckland.
4. The Prize will be awarded for the most meritorious report (including a thesis or course) on geological field work written in the year preceding the award by a student of the University (whether a graduate or undergraduate).
5. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Director of the School of Environment.
6. The University of Auckland will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
7. In the event of a tie, the Director of the School of Environment shall determine if the Prize may be shared.
8. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
