Footnotes:

1. MAPAS is the Māori and Pacific Admission Scheme for the Faculty of Medical and Health Sciences. Applicants who meet the academic requirements for their programme (BHSc, BNurs or BPharm) and satisfy MAPAS interview requirements based on their academic preparation, personal qualities and support systems will be offered a MAPAS place. Applicants who meet the MAPAS requirements but fail to meet the guaranteed rank score for their programme may be offered a UTAS place if they meet the minimum UTAS rank score indicated in the above table.
2. Other requirements relates to capability to meet professional registration requirements. Assessment of other requirements may involve interviews and referees' statements. All Māori and Pacific UTAS applicants will be assessed for other requirements including ability to communicate in English or Māori (in the case of Māori immersion programmes).
3. MAPTES is the Māori and Pacific UTAS Scheme for the Faculty of Engineering. To be considered for a place under this scheme applicants will need to complete the ENGMPF10 form available via the Faculty's website (www.engineering.auckland.ac.nz) and submit this with their supporting documents by **25 November 2011**. Places will be allocated based on academic performance and the candidate's potential to succeed in the BE (Hons) and an interview if required.
4. Applicants for the BBIM, BCom and BProp who meet the UTAS rank score and subject requirements will be guaranteed a conditional offer subject to them attending a meeting to discuss the conditions and signing a contract. Applicants who do not qualify for a conditional offer may be interviewed and selected as well.
