

### Non Compliant Policies

Our experience has been that most policies purchased overseas do not meet the guidelines set out in the Code of Practice and, therefore, do not meet The University of Auckland's policy standards. You will be required to purchase another appropriate insurance policy before you can enrol.

If your policy does **NOT** appear on this list then you **MUST** provide your full policy wording and certificate of insurance (in **English**) for assessment.

**NOTE:** Please fill in a waiver checklist application and submit together with your insurance certificate and policy wording.

**Cut off dates for policy assessments - 2 weeks before semester starts**
