## General Education Regulations

*The new Faculty of Arts and Education and the expanded Faculty of Engineering and Design were established on 1 January 2025. These regulations/schedules reflect the previous faculty names in existence in 2024. The information relating to individual programmes and courses has not changed and is correct.*

- 1 Students required to include General Education in their programme must pass courses as specified in the General Education Regulations and Schedules for their programme.
- 2
  - a A student will not meet the General Education requirement for their programme if they complete a General Education course with the same subject code as any non-General Education course they have previously passed, or are already enrolled in.

    - (ii) EDUC 100G for students enrolled in the BEd(Tchg).
  - c A student who transfers programmes can meet the General Education requirement of their new programme using a course in a subject in which they have passed more than one course if the only courses in that subject credited or reassigned to their new programme are General Education courses.
