

Think scholarships are hard to get? Think again.

Getting a scholarship doesn't need to be difficult. Every year the University of Auckland gives scholarships and prizes worth over \$50 million to thousands of students just like you.

If you're thinking about studying for a Bachelor of Arts (BA), a Bachelor of Communications (BC), a Bachelor of Global Studies (BGlobalSt) or a conjoint degree, find out how you could get a financial boost that could make all the difference.

Liz Lotoa

Student: Bachelor of Arts / Bachelor of Laws (Honours),
majoring in Politics and International Relations

Recipient of a University of Auckland Top Achiever
Scholarship and a Faculty of Arts Summer Scholarship

High School: Baradene College

"At this point the options appear to be limitless. Once you get your foot in the door in the professional world you realise that a BA is applicable to more career options than you would initially think. The ability to critically analyse and synthesise information were skills I found incredibly applicable from my BA."

5 facts you need to know:

- Scholarships are amounts of money given to you to help with university education
- Some scholarships also help with things like accommodation
- Unlike a student loan, you don't need to pay the money back
- You don't always need high grades to get one
- You can apply for more than one – and there are heaps to apply for!
