Why choose the Master of Global Studies

Explore the big issues of our time

From climate change and migration to global governance, security, and development, gain the tools to examine the forces that shape our world and the leadership skills to act on them.

A degree with global reach

Draw on insights from politics, international relations, development studies, cultural studies, economics, and more. Study alongside international peers and learn from globally engaged academics.

Flexible and future-focused

Choose from a wide range of electives and pathways to tailor your study to your career goals, whether in diplomacy, international NGOs, global business, policy, education, or further academic research.

International perspective, local engagement

Located in one of the world's most diverse and innovative cities, the University of Auckland offers a unique lens on global issues, anchored in Indigenous perspectives and the Pacific region.

Study in Auckland – A Global City

Ranked in the world's top 100 universities*, Waipapa Tamatau Rau offers world-class teaching, research opportunities, and a welcoming international community.
