

DO YOU SUFFER FROM DRY EYES?

Are you an adult with dry eye symptoms for over 6 months?
You may be eligible to take part in a dry eye study evaluating
two new generation eye drops!

Whats involved?

- No of visits : up to 4 (over 8 weeks), including in-clinic eligibility confirmation
- Time per visit : around 45 minutes per visit with a total of 3 hours for all visits
- Eye drops : supplied at no cost for the duration of the study
- What else? : receive up to \$200 in vouchers

Where?

- All visits will take place in the University of Auckland Eye Clinic at Grafton

What is assessed?

- Your eligibility to participate
- Your dry eye symptoms using questionnaires
- The quality of your tears and eye surface
- Your daily eye drop use, recorded in a diary
- Your eye comfort after using the eye drops
