

# HELP US SHAPE A NEW 3D IMAGING TOOL

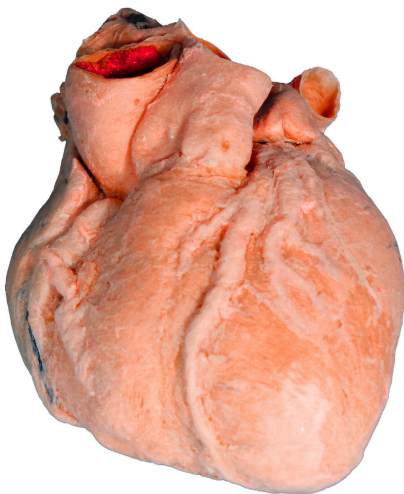

*Would you benefit from having realistic 3D models of anatomy  
and pathology?*

*Would you like to lead the way in which you are taught  
anatomy or pathology?*

*Or do you have some ideas of your own which you'd like to  
contribute?*

*If you are 18y or older and studying medical or health sciences*

## THEN WE NEED YOU

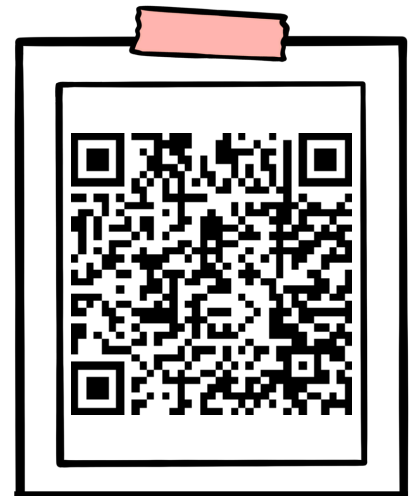

Complete the survey

Sign up for the draw

And you are  
IN TO WIN

Thats it!!
