Admission to Clinical Programmes: Dashboard User Guide

21/04/2026

Data definitions and glossary

For more information about how the data is defined and structured, please refer to the **Data Glossary** within the dashboard. This can be accessed from the top-right corner of the dashboard.

Navigating the Dashboard

Filtering the data

Use the main filters to tailor the view to your needs. Depending on the dashboard design, these may include filters such as:

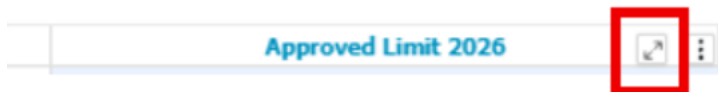

- Clinical programme
- Admission category
- Admission scheme (selected pages)
- Decision status.

As you adjust the filters, the tables and charts will update automatically.

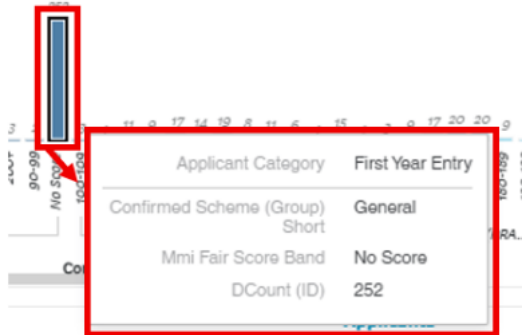

Please note that in some views, filters may apply only to specific sections of the dashboard. Some pages may also include additional filters.

Expanding a table or chart or Viewing More Information

- To view a table or chart in full screen:
 - Hover over the top-right corner of the visual
 - Click the arrow icon to expand the display

- To view more information, hover over selected visuals:

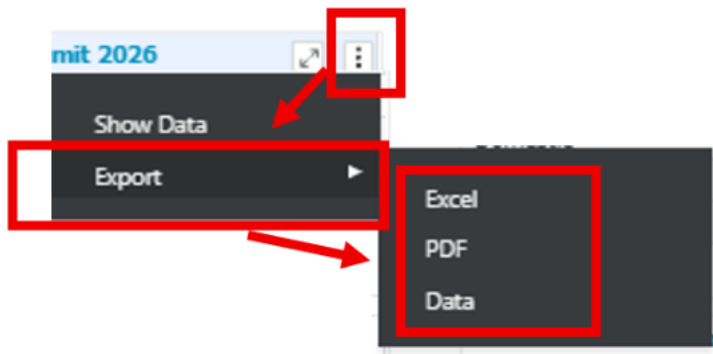

Applicant Category	First Year Entry
Confirmed Scheme (Group) Short	General
Mmi Fair Score Band	No Score
DCount (ID)	252

Exporting or downloading data

To export data from a table:

- Hover over the top-right corner of the table
- Click the three-dot menu
- Select **Export**
- Choose your preferred format, such as Excel, PDF, or data file

Sharing the dashboard

The dashboard cannot be shared directly to individual email addresses from within the platform.

To share the dashboard, you can:

- use the **Share Dashboard** option to copy a link, or
- copy the URL directly from your browser's address bar.
