Total 600 points.

- Of the 600 points required for this degree, a student must pass:
 - 585 points: Parts I, II, III, IV and V as listed in the Bachelor of Optometry Schedule, including WTRSCI 100 and
 - 15 points from courses offered in either the General Education Open Schedule or the General Education Faculty Schedule approved for this degree.
- A student who is required to meet the Academic English Language Requirement, as specified in the Enrolment and Programme Regulations, Academic English Language Requirement, of the University Calendar, may substitute an academic English language course approved the Programme Director for 15 points of General Education.
- A student must complete the Academic Integrity course as specified in the Enrolment and Programme Regulations, Academic Integrity, of the University Calendar.

It is the student's responsibility to check that the final programme complies with University Regulations. Please visit the Student Hubs for any assistance with your degree planning.
