

New Zealand Journal of Environmental Law – Bibliography of Articles (Volumes 1-26, 1997-2022)

The purpose of this bibliography is to provide easy access to and research assistance on various environmental law topics covered by articles published in the New Zealand Journal of Environmental Law. All articles published in Volumes 1-26 (1997-2022) are organised under subject headings. It should also be noted that articles may be found under multiple relevant headings.

At the end of this document, there is a complete article list provided. This list is alphabetically ordered by author surname.

The document was first prepared by Ryan Chao in 2015, with recent updates by Prerna Handa (2021), Ellis Pike (2022) and Airu Teng (2023), in each case as part of the University of Auckland School of Law 'community placement' scheme.

General editors: Dr Kenneth Palmer (1997-2020); Professor David Grinlinton (2020-present).
