

Deposit your Thesis Online - Permissions Form

Use this form if you cannot deposit your thesis online using the online deposit process. ResearchSpace staff will deposit on your behalf but require a permissions form to be filled out.

Digital copies of your work are deposited online in ResearchSpace under the following [conditions of deposit](#).

Note: The access permissions for thesis deposit which you choose below will take precedence for the period you specify over the deposit licence conditions.

Author of thesis	
Title of thesis	
Name of degree	Masters
Date submitted	
Copyright (Tick the boxes that apply)	
	I confirm that my thesis does not contain material for which the copyright belongs to a third party.
	I confirm that the use falls under one of the exceptions in the Copyright Act 1994, and/or that for all third party copyright materials in my thesis I have obtained written permissions to use the material and attached copies of each permission, and/or I have removed the material from the uploaded thesis, fully referenced the deleted materials and, where possible, provided links to electronic sources of the material.

Access (Tick ONE)

I certify that the digital copy of my thesis deposited with the University is the same as the final officially approved version. Except in the circumstances set out above, no emendation of content has occurred and I recognise that minor variations in formatting may occur as a result of the conversion to digital format. I understand that if my thesis is available online for public access it can be used for research, private study and access by the media.

Open Access	I agree that my thesis will be fully available online for public access. I do not need to embargo this thesis for reasons including pending patents, copyright restrictions, or future publications.
No Access (Embargo) Embargo duration	I have applied to my head of department for an embargo for the specified time. I have deposited a digital copy of my thesis but do not wish to allow any online access. My name, title of thesis and date will appear in ResearchSpace but no other details will be viewable. After the specified period of time the thesis will be available online as per Open Access.

If you have chosen to make your thesis available online using the open access option, either now or following a period of time, you must decide how you want people to use your thesis. Under [Creative Commons](#) you retain copyright and can control how other people share and use your work. (If you do not allow for Creative Commons licensing you will limit use to that which is permitted under the [Copyright Act 1994](#)).

Please choose from the following Creative Commons options:

Allow commercial uses of your work?	Others can reuse your work, even for commercial purposes.	Yes
		No
Allow modifications of your work?	Others can remix, adapt or build upon your work. Under share alike they must license adaptations under identical terms.	Yes
		Yes, as long as others share alike
		No

Or

No Creative Commons	I do not choose a Creative Commons option, and limit as permitted under the Copyright Act.	No Creative Commons option
