Accommodation | Ngā Wharenoho is a department within the Campus Life service division. Accommodation | Ngā Wharenoho is led by the Associate Director | Kaitaki Wharenoho, Aimee MacAskill. The day to day operations of our accommodation and pastoral care of residents is headed up by the Head of Operations | Urumatua Whakahaere, Tara Baker, with teams located in each of our communities and Residential Experience Officers.

Your Accommodation team understands the requirements of university study and the additional pressures of living away from a home environment. All members of the Accommodation management team are trained in first aid, listening skills and cultural sensitivity. They are also given a thorough briefing on the function and whereabouts of campus facilities.

The Resident Manager and Administration Team Leader are available on weekdays during normal office hours and our Resident Coordinators work between the hours of 12-10.30pm Monday to Sunday. Our Receptionists and Night Supervisors work on shifts to provide our 24/7 reception service, and will respond to all situations and refer up as needed. **Our service to you will be**

- Providing systems, tools and skills to solve your own problems and be self-sufficient
Your rights and responsibilities

As a member living in our diverse community, you are afforded certain individual rights that you, as well as those living around you, should respect.

In addition, these rights carry with them a reciprocal responsibility for you and every member in our community. When you uphold your responsibilities, you will be making the university accommodation a great place to live where all students can be successful.

The following is a listing of your “rights” (things to which you are entitled as a resident living in accommodation), as well as your “responsibilities” (what is expected of you as a resident) and they are summaries of what is in your Residential Agreement and Residential Rules of the University:

- **You have the right** to a safe and secure living environment.
- **You have the responsibility** to keep your living space secured, and to not prop doors open or allow in strangers. You also have a responsibility to uphold all security policies and procedures. Violations of policies and procedures put you and others at risk.
- **You have the right** to a reasonably peaceful and quiet space in which you can sleep and study.
- **You have the responsibility** to observe quiet hours, to keep your stereo, television, computer and your voice at a reasonable volume in your living environment, and to remind your guests and others that you expect the same of them.
- **You have the right** to privacy and to the fair use of your living space, both in terms of space and time, and the right to be free from any of our rules.
- **You have the responsibility** to confront another person’s behaviour when it infringes on your rights.
- **You have the responsibility** to examine your own behaviour when confronted by another and to work toward resolving conflicts.
- **You have the right** to seek assistance for fellow members of your community.
- **You have the responsibility** to let someone (Accommodation and/or other university staff) know if you are concerned about a fellow member of your community.
- **You have the right** to know what is acceptable and/or inappropriate behaviour in your living environment.
- **You have the responsibility** to read the information provided for you by the University of Auckland. This includes, but is not limited to this Resident Handbook, your Residential Agreement, Residential Rules, University Code of Conduct and other relevant material. You may report any alleged violation, whether or not you were personally affected by it.

Withdrawal process

**Withdrawal from your Residential Agreement early**

When you accepted your Residential Agreement you agreed to remain in residence and pay for the entire residential period. If you find that you cannot continue your study or you wish to withdraw from your residential agreement you must first speak with your Resident Manager to complete the required paperwork. There are financial consequences for withdrawing from a contract early that your Accommodation team can talk you through this.

Your accommodation journey

Preparing for move in

Make your move-in as seamless as possible by following our easy steps! Don’t worry, we will email all new students before they arrive, and we will expand these below!

1. **Familiarise yourself with Accommodation**
2. **Check your immunisation status**
3. **Make your payment arrangements**
4. **Connect with us and let us know when you’re coming**
5. **Pack all your essentials**

Step 1: Familiarise yourself with Accommodation

It is important that you familiarise yourself with Accommodation before you arrive. Reading this Resident Handbook is a great first step. Make sure you also read our Residential Rules, information on our website and all emails that are sent to you.

Step 2: Check your immunisation status

We want to make sure that Accommodation is a safe living environment, the University of Auckland strongly encourages all of our Residents to have up-to-date inoculations for all preventable diseases such as MMR (measles, mumps and rubella) whooping cough, diphtheria, chickenpox, polio etc. It is strongly recommended that you consider getting immunised for meningococcal disease as well.

If you are unsure about your immunisation history, please consult your GP before you arrive. University Health and Counselling services also recommend you bring a copy of your immunisation records with you. Before you arrive, you will be asked to complete a medical information form on the Accommodation Portal, which will ask whether or not you have had these vaccinations.

Step 3: Make your payment arrangements

Your advance payment and Residential Services Fee is charged to your account prior to the start of your residential period and payment must be received before you are permitted to check into residence. It is important that you have a plan for paying your accommodation fees throughout the year. Talk with your whānau and come up with a budget and payment plan. This will help you keep to the timetable throughout the year.

Step 4: Connect with us online and let us know when you are coming

Prior to your safe arrival, we will let you know via email how to tell us your move in date and time. It will be important for us to have this information to manage traffic on the day. We will also let you know how to join our online community!

You can join our online community through our Facebook group Ua Apartments - Waipārūrū Hall 2024. This is a great way to get to know your fellow residents and keep up to date with activities and events in the Residence. Apply to join and one of the staff will accept you to the page.

Keys and access cards

When you arrive at the Hall you will be issued with your room key if you live in the hall and Campus Card, which for those living in 441 & 442 towers is your room access card. It is illegal to make copies of these. Your Campus Card will enable you to have 24/7 access into the Hall. If you lose your Campus Card or key you must notify the Accommodation team and pay for a replacement. If you have not completed the required information for your Campus Card to be printed before you arrive, then you will be issued with a temporary access card. Please be responsible with your room key and Campus Card. You are not permitted to give these to anyone else to use.

If you need to replace your Campus Card, please follow the instructions found on the University website at auckland.ac.nz/en/students/newstudents/campus-card/Replacingyourcard.html

Your room allocation

You will be allocated a room at the discretion of the Resident Manager. Please note that you will not normally be able to change rooms during the year, due to often full occupancy. We will only inform you of a specific room number once you arrive because it could change before move-in day. Please be aware that requests for particular rooms likely cannot be met due to operation requirements.

Tips to settle into your new home

Moving into a new place can be hard. To make it easier for you we have some helpful tips for you:

- Bring along plenty of familiar things from home to decorate your room with;
- Walk around the building and introduce yourself to your new neighbours;
- Find someone to go and explore your new home and city with;
- Make sure you meet your RA;
- Make sure you get involved with our events and activities;
- Let your whānau and accommodation know when you are feeling overwhelmed.

Accommodation fees

Accommodation fees are calculated for the full period stated in the Residential Agreement, and include utilities such as water and electricity. As a University of Auckland student, you will have access to connect to the University’s broadband system. After your advance charge and residential services payment you will need to pay for the remaining balance.

The remaining balance of your accommodation fees will be applied to your account fortnightly according to the payment schedules on the accommodation website. You are required to make payment of each fortnightly charge by the corresponding due date.

Additional charges

It is your responsibility to ensure that any additional charges made to your account due to damages, defaulting on payments, or items purchased through the online shop are paid in full before you check-out. The deposit of $950.00 you paid at the time you accepted your Residential Agreement, will be credited to your room account at the beginning of your residential period.

Your Accommodation online shop

The Accommodation online shop (shopping cart) is the place you go to purchase bedding packs and accommodation event tickets. It is located in the Accommodation Portal and payment is taken online.

Your financial responsibility

If you are 18 years or over (and not associated with a study abroad group) you are responsible for the timely payment of your accommodation fees. You are to ensure that you do not fall into debt and pay for all additional services, cost recovery or events promptly. The University will hold you as the contract holder liable for all debt and if your balance is not at $0.00 on check-out, you could be referred to debt collectors. Please contact a member of the Accommodation team if you are having financial difficulty so that we may advise and support you as needed.

Paying your fees

You can pay your Accommodation fees in two ways

Automatic payments via your bank. This is the preferred method of payment. Ensure that you use the first and last fortnightly instalment dates detailed on the Table of Fees for your residence when setting up your automatic payments through your online banking account or directly with your bank.

Online payments can be made via the Accommodation Portal by simply logging in, clicking on the Accounts tab in the blue menu bar, and following the instructions provided. Please note: we do not take cash or cheque payments for accommodation fees.

Important information to consider

The period of the residential agreement is fixed. You will be required to pay for the accommodation for the full period you have agreed to even if you arrive later than the start date, or leave prior to the end date. When looking at your room account online, ‘Cr’ stands for credit and indicates a positive balance where ‘Dr’ represents debit and indicates a negative balance.

Please make sure that your email address is correct and up-to-date on Student Services Online (SSO). Important communication will be sent to you via your preferred email address as listed on SSO.

Please check your email address regularly for messages. Read every email carefully before deleting emails to make sure that you don’t miss something important!

Please make sure Student Services Online is updated with your current NZ mobile phone number. There may be an occasion where we need to contact you quickly.

Social Media

Accommodation communicates regularly on Facebook. Our Accommodation Facebook page is subject to all of our normal rules and regulations. Remember our Facebook group is: [UoA – Waipārūrū Hall 2024].

Social media guidelines

The University encourages students to explore social media responsibly to enhance communication and further support the conduct of teaching, learning and research. You should be aware of the following guidelines:

- Be transparent (honest about who you are), be accurate (thoughtful before you post), maintain confidentiality and be respectful (respect privacy and copyright).
- You should assume that all activities on social media are public. Be mindful that actions or content posted may be visible for a long period of time.
- You should uphold and protect the image of University, including your Hall, when publishing content online or carrying out activities in an online environment.

Note on the permission of others

You should also be mindful of having sought and gained the consent of involved parties, whether posting to the Hall Facebook page, your own Facebook or any other social media channel (Instagram, Snapchat, Twitter etc). This is particularly relevant for photos and videos. You must always gain permission from anyone whose video/photo you intend to post. If they don’t want their photo/video posted, respect that decision. If you post something without the express permission of the person involved, it may be a breach of their privacy. Depending on the nature of the material, there may be more serious repercussions, such as legal action or a police investigation. If in doubt, always ask the person concerned. You can’t assume they will agree. And if you can’t contact them or have any doubts about what you’re doing, don’t post.

Catering

Our Hall catering service is provided by FlameTree Campus Kitchen, the University’s catering team. Meals will be served in the dining hall at the following times:

**Weekdays:**
- **Breakfast:** 7-10.30am
- **Lunch:** 10.30am–4pm
- **Dinner:** 4–9pm

**Weekends:**

- Kiwi Kai: Classic kiwi dishes and some family favourites
- Ostella: Serving up tasty Italian

Please note that all accommodation fees and agreements are for full board, i.e. 19 meals per week. There is no refund or reduced rate for meals not taken.

The Hall aims to provide you with a balanced diet and serves a meat and non-meat alternative each lunch and dinner meal session.

If you have particular dietary requirements you are advised that you may need to make your own arrangements to supplement your diet, as your needs are not met in the usual daily meal cycle. If you have a particular dietary concern, you may also contact a member of your Accommodation team.

You may not remove any cutlery or crockery from the dining room and no meals or food items can be taken out of the dining hall or reduced rate for meals not taken.

The dining hall is available for study outside of meal hours. You are asked to keep it tidy and not remove any furniture.

Constructive feedback regarding the food should be made to a member of your Accommodation team and not to the serving staff. You are expected to treat the catering staff in a courteous manner at all times. You can also complete our anonymous catering comments book located in your dining hall. These are checked weekly.

Take away meals

There are usually no provisions for packed lunches due to our dining hall hours, but requests can be made to the Resident Manager and will only be approved under exceptional circumstances.

Confidentiality

Staff and residents of University accommodation endeavour to treat one another with respect and to treat private matters in confidence. There are, however, rare occasions when it may be necessary for staff to contact other concerned outside adults (such as guardians or study abroad agents).

Cleaning and room inspections

Cleaners are employed to clean the common areas, hallways, kitchenettes and bathrooms. You are responsible for cleaning your own bedrooms. Rooms are to be kept clean and tidy, and in a condition that does not create health or safety hazards. Vacuum cleaners are available at reception for you to use.

Vacuum cleaners
You are responsible for cleaning your own room. Our Hall has vacuum cleaners available for you to use. These are located in the dedicated lockers by Reception in Waipārūrū Hall, or in the locker by the games room in the lower admin building of Waipārūrū – Whitaker Block. Vacuums are available on a first come, first-serve basis. You can borrow the vacuum cleaner for 20 minutes. When you have finished with the vacuum cleaners you are responsible for emptying the vacuum cleaner, and returning it in good working condition. Please do not vacuum up liquids or large objects. If the vacuum is faulty, please let your Reception team know.

Room inspections
Room checks will be conducted twice a year. If your room is found to be in an unsatisfactory condition you will be given a specific time period to rectify the problem. If you cannot meet the required standard then your room may be cleaned by the cleaners at your expense.

Reporting cleaning issues in the Hall
If you notice any cleaning issues in the Hall, please report this as soon as you can to our Reception team. We will then work with our Cleaners to resolve the issue.

Cost recovery
There are times when students may cause damage to the building, communal areas and/or furniture, where items from the Hall might be taken and not returned. When situations like these occur, your Resident Manager will lead an investigation for more information. This investigation will include:
- Communication of the damage via email, social media and posters
- A request for anybody to provide information on the damage taken item
- Checks of all available security and staff information

If all the above, there is no specific Resident(s) to attribute the cost to, then as per the Residential Rules a communal damage charge will be placed on all in-room Residents’ accounts.

It is in the best interest of our whole community if everyone respects and looks after our home and keeps it safe.

If you cause accidental damage to accommodation property then you will be charged a recovery cost for the repairs and/or replacement of the property, as per the Recovery Cost Schedule, up to a maximum value of $1,500 + GST per incident.

If the person responsible for the damage cannot be identified, the cost will be borne by all the resident students as part of a cost recovery levy. Any damage that is deemed malicious or intentional will be recovered at the full cost of the repairs and/or replacement and the $1,500 cap will not apply.

Civil defence

The University of Auckland has made civil defence preparations that will assist us in managing an emergency such as an earthquake. We expect co-operation from each individual student about these preparations. Students should also take their own personal steps to make sure they are prepared in a civil defence emergency. We encourage students to visit the Civil Defence website getthru.govt.nz for more information and to ensure you have what you need to get through.

The location of your civil defence cabinet is here: Waipārūrū - Whitaker Block study room (located on the ground floor of the administration building).

Fire evacuations
On the continuous sounding of the fire alarm you are to proceed to the evacuation point in a sensible manner.

The evacuation point is outside Empire Apartments at 21 Whitaker Place.

Residents are to follow all printed evacuation material and staff instructions. If you fail to evacuate the residence you will be required to attend a conduct meeting.

Earthquakes
In the event of an earthquake, you should seek cover away from glass and brace yourself (drop, cover, hold). Remain in this position until shaking stops and it is safe to exit building. Assemble in our emergency evacuation point. A roll call will be taken promptly. Please do not leave the site without informing a staff member.

The location of your emergency evacuation point is: outside Empire Apartments at 21 Whitaker Place, please be mindful of buildings.

The University will introduce specific policies and rules for the safety of all residents, staff and community members.

In the event of a Pandemic all residents are expected to be prepared and adhere to:

- Social Distancing Guidelines and Restrictions
- Sanitising Requirements
Residents must comply with the following:

- Report on-site staff member confirming their location

- Abide by best practices and recommendations provided by on-site staff
- Limit any movement and conduct as and when required by on-site staff

Your residential experience and support

The holistic success of our residents and the experience they have while living in here is at the core of what we do in University accommodation. Every Accommodation event or opportunity for engagement in accommodation will have a focus on wellbeing.

Our approach to your hauora and engagement

In University Accommodation, your success tool kit is represented as your Waka, with each paddle of the Waka symbolising an area of our Accommodation framework. The Waka is a symbol of the University as a means for you to journey forward in pursuit of education.

Our success dimensions (the paddles in your Waka) are:

- **Mind Hinengaro**: Ensuring our academic success, emotional state and finances are balanced, with connection to support readily available.
- **Body Tinana**: Looking after ourselves physically, through an awareness of our body’s development and ongoing care, ensuring that we are able to achieve.
- **Social Whanaungatanga**: Taking opportunities to form successful relationships, connect with others and build networks and memories with others.

Sessions are led by senior students known as PASS mentors. If you are interested in what programmes are being offered, just ask a member of your Accommodation team.

Our Hall engagement programme

Loneliness and homesickness

Loneliness and homesickness can affect any student during their academic year. By choosing to live in a Residence, you have already chosen one of the more effective strategies to deal with loneliness and to succeed at your studies. However, it can be easy to feel isolated even in a community.

Here are some strategies that may help you overcome loneliness:

- Sit in a common room or lounge, not in your bedroom. Watch some television, play games or eat in a communal area to take the opportunity to meet others.
- Get involved with organised activities, attend area meetings and look out for flyers or posters that announce events.
- Talk to a member of the Accommodation team if you continue to feel lonely. They may not be able to fix the problem for you but are happy to listen and to try and help you to find the answers that will work for you.
- There are also professional counsellors and wellbeing groups on campus who are prepared to help students in a variety of ways.

Have you seen any concerning conduct?

If you have seen behaviour that is concerning or would constitute misconduct please report this to an Accommodation staff member immediately using the duty number.

The Proctor is a primary reference point at the University for all matters relating to student conduct. Learn more about the University Proctor and find the form for reporting a auckland.ac.nz/en/students/complaints-and-incidents/university-proctor.html

Consent

Whether you are in a long term or casual relationship, you and your partner deserve to be treated with respect.

Consent is a free agreement made together about any sexual situation or experience.

Consent is always agreed to in the moment. Having consented previously doesn’t mean you consent in the future. Being married doesn’t automatically mean there is consent.

Consent is not a contract. You can change your mind. If you are not comfortable with something you have a right for it to stop. It’s OK to say stop.

It isn’t consent if:

- You are drunk or drugged;
- Someone forces, threatens or coerces you in anyway - verbally, physically or emotionally;
- You are under 16 years old.

For more information visit: auckland.ac.nz/en/students/student-support/personal-support/be-well/healthy-relationships/consent.html
Family violence - it’s not OK

Family and relationship violence can take many forms including physical, psychological, sexual, financial or spiritual abuse. It can disrupt the ability to study or work and can negatively affect performance, effectiveness, safety and wellbeing. It can also impact colleagues, friends and other members of the University community.

The University is committed to being safe, inclusive and equitable. We affirm that family and relationship violence is unacceptable and that every person is entitled to respect, and to live free from fear and abuse.

See our Family Violence Policy and Family Violence Prevention and Management Guidelines for information about how the University provides reasonable support for students and staff affected by family and relationship violence.

The University also offers a range of financial support services, you can explore these on the University website auckland.ac.nz/en/study/fees-and-money-matters/financial-support.html

- Apply for any StudyLink support you are entitled to early
- Create a budget for the year with your income and expenses
- Actively monitor and review your spending

Theft and your personal responsibility

Living in a communal environment is great. However, sadly there are times when a guest or fellow resident might make the decision to steal or take items that do not belong to them. The University of Auckland does not take any liability for lost and/or stolen items. We encourage you to take personal responsibility for your items and recommend the following actions are taken to minimize any loss of items:

- Keep your bedroom closed and locked when you are not in it;
- Do not lend your keys and/or campus card to anyone else;
- Do not let anyone you do not know into the building;
- Do not leave your personal items unattended in communal spaces;

For simple tips and contact details to help you stay safe on campus, visit: auckland.ac.nz/en/health-safety-wellbeing.html

Reporting concerns, accidents, near misses:

Your Resident Manager is the designated Health and Safety officer for your Hall. If you see any behaviour that you think is unsafe, witness a near miss or an accident please report it to them. You can also report online any Health and Safety Campus or Hall incident by visiting: auckland.ac.nz/en/health-safety-wellbeing/report-concerns-hazards.html

Healthcare, accidents and first aid

If you are ill, you should report this promptly to a member of the Accommodation team. They will assist you where appropriate, especially if you might need medical attention. It is important to seek assistance for medical conditions before they become too serious, as illness can spread very quickly in a group living situation.

Accidents, injuries and first aid

If you are involved in any form of accident or injury onsite, you must let a member of the Accommodation team know promptly. Each Accommodation staff member has undergone first aid training and, if present, can help with injuries on-site.

After the event you will be required to fill out an incident report, which is forwarded to the University Health and Safety department. This is an Occupational Health and Safety requirement.
If you call an ambulance for any reason, inform a staff member immediately so that they can ensure paramedics have access to the building and can be directed to the right area. The University of Auckland’s Health and Counselling service is also available to you from 8am-7pm, Monday to Friday.

Outside of these hours, for 24 hour help, residents are advised to visit:

The University Student Health and Counselling service is found on level 3 of the Kate Edgar Information Commons (building 315 on the City Campus map) on campus. The friendly team at reception can help you make an appointment with either a nurse, doctor or counsellor. Students must be registered through UHCS to use its service so be sure to sign up before you move in. The University provides Health and Counselling services across all of its Auckland campuses. You can find more information about the other campuses here: [auckland.ac.nz/en/on-campus/student-support/personal-support/student-health-counselling.html](auckland.ac.nz/en/on-campus/student-support/personal-support/student-health-counselling.html)

We also have physiotherapists on campus. They are located in the building and can be directed to the right area.

Supporting you through health issues
Accommodation cares deeply about your health and wellbeing. If you present with health issues while you are living on campus, Accommodation will support you in assessing the issue and determining the best way forward in partnership with you and assist you in making those appropriate connections you need to get well.

The support we can offer ranges from ensuring that you have meals in your room to connecting you with external support or calling an ambulance. There are times where it is not possible for Accommodation staff to join you on your way to a health provider, but where possible we will contact a nominated person and see if they will support you.

Hygiene and hand washing
It is important we all maintain excellent hygiene practices when we are living in communal environments. Hand hygiene is particularly important. The Ministry of Health also recommends the following practice for Hand washing: Wash hands for 20 seconds. Dry hands for 20 seconds.

Steps for clean hands:
1. Wet your hands under clean running water. Use warm water if available.
2. Put soap on your hands and wash for 20 seconds. Liquid soap is best.
3. Rub hands together until the soap makes bubbles.
4. Rub on both sides of both hands...
5. and in between fingers and thumbs...
6. and round and round both hands.
7. Rinse all the soap off under clean running water. Use warm water if available.
8. Dry your hands all over for 20 seconds. Using a paper towel is best (or, if at home, a clean dry towel).

Always wash and dry your hands ...

Before:
• Eating or preparing food.

After:
• Sneezing, coughing or blowing your nose (or wiping children’s noses)
• Gardening (or playing outside for children)
• Having contact with animals
• Going to the toilet or changing nappies
• Looking after sick people.

Cover coughs and sneezes
Some infectious diseases can be transferred in the air when an infected person coughs or sneezes. Examples include influenza, measles and chicken pox.

If you are unwell, avoid close contact with other people. Cover your coughs and sneezes to stop spreading the illness to other people.
• Cover your mouth and nose with a tissue when you cough or sneeze – then put the tissue in a bin.
• If you do not have a tissue, cough or sneeze into your elbow.
• Clean your hands after you cover a cough or sneeze.

Sustainable living

We are committed to being a sustainable campus and supporting you in being environmentally friendly. Accommodation has worked hard over the years to ensure our buildings are as efficient as possible, and you have a living environment that supports responsible environmental and sustainable practices. This requires everyone to work in partnership, so we need your help.

Sustainable study:
• Think before you print, and print only if it is essential
• Use electronic rather than paper-based filing systems for all projects
• Design documents to minimise paper use by reducing the size of the margins
• Collect single-sided paper and re-use it for notes and drafts
• Use double-sided printing and photocopying modes wherever possible
• Recycle paper that has been used on both sides

Conserve energy:
• Turn off the lights that aren’t needed in your room and flat, especially when you leave
• Turn off computer screens that are not in use, make sure that energy-saving modes are operating on all types of electronic equipment.
• Make sure appliances (such as televisions) are turned off when not in use

Save water:
• Use a cold water wash cycle whenever possible.
• Try showering for four minutes or less.
• Put in the plug in the sink when you want to rinse something.
• Turn the tap off when you are soaping your hands.
• Turn the tap off when you brush your teeth
• Make sure you do full loads of laundry in the washing machine
• If there is a leaky tap - tell an Accommodation staff member who will organise for maintenance to fix it.

United Nations Sustainable Development Goals

Working in Auckland

The Career Development and Employment Services team (CDES) can help you look for a job. CDES manage CareerHub, a great resource for finding work, and they can help you with CV writing, and working on interview skills. We encourage all students to become familiar with this great University service. You can find them at auckland.ac.nz/en/students/student-support/career-development-and-employability-services.html

Student Job Search is also a good way to find jobs during semester and over the summer. To register with them you need your current student ID card and your passport. Find out more at sjs.co.nz

International students may be able to work up to 20 hours a week during the academic year. In order to work, you must have a ‘Variation of Conditions’ on your Student Visa or Permit. You can ask more about your Student Permit at the International Office on campus. Some Study Abroad or Scholarship students are not allowed to work during their time here so please remember to check before you apply for any jobs.

The new recreation facility on Symonds Street is estimated to open in late 2024. This new home for sport and recreation will provide state-of-the-art equipment, indoor pool, enhanced studios and much more.

Please see the Sport and Recreation website for further information: auckland.ac.nz/en/on-campus/facilities-and-services/sport-and-recreation.html

Insurance for students

Students should remember that they are not covered by any University insurance policy. Consider taking out contents insurance and ensure your property is stored safely and securely at all times. Remember to always lock your door. In New Zealand, ACC (accident compensation corporation) covers all injuries sustained in an accident, but you should still consider taking out medical insurance as ACC won’t cover any medical problems not caused by an accident. We strongly recommend that international students take out travel insurance to ensure peace of mind during their time here. As stated in the Rules and Regulations, “the University expressly disclaims any liability for loss or damage to the property of a resident, or the property of any guests of a resident.”

Personal safety

New Zealand has an international reputation as a safe and friendly country, but you should still take all the security precautions you would take anywhere in the world.

Essential safety advice

- Make it a habit to lock your door whenever you’re out of your room.
- If you are walking home at night, go in a group and keep to well-lit streets or consider taking a taxi.
- Register your phone with the operator and if it is stolen ask them to ban the SIM card immediately.
- Take care when using ATM machines late at night. Do not walk away from the machine carrying your cash in full view.
- If your credit and cash cards are stolen, inform the card provider immediately. Do not wait until you get home.
- Never write your PIN down.
- Do not carry large amounts of cash on your person, or store large amounts in your room.

Emergency services

The number for the emergency services (police, fire and ambulance) is 111. Use only 111 to call the police when a crime is being committed or if life is at risk. Please also inform Accommodation staff if you have done this. For non-emergency calls (such as when a burglary has already been committed and the burglar has gone), call 105.

Recreation in the area

All of our residences are located within walking distance of the Auckland Domain, which is also home to the Auckland Museum and the Domain Wintergardens. Auckland Domain has several nature walks that showcase the native forest of the surrounding area, along with grassy fields and shady trees, perfect for an outdoor recreation or study spot.

Mission Bay, a popular beach area, is just around the corner via bus, and is a great place to go for ice-cream or frozen yoghurt.

Eateries in Auckland

Our residences are located within walking distance of the Auckland CBD and Viaduct which offers dining alongside beautiful views of the Waitemata Harbour and entertainment courtesy of Holey Moley. There is also a mall on Queen Street which offers arcade style entertainment and a movie theatre.

The residences are also close to Ponsonby and Karangahape Road (affectionately known as K Road), which both offer a wide variety of good cafés, restaurants and bars.

Keep an eye on the Auckland Council website, aucklandcity.govt.nz for seasonal events such as the Night Noodle Markets, Art Week and other festivals. There are also plenty of food, arts and crafts markets on most weekends scattered around the wider Auckland area. There is also plenty to do in the wider Auckland region if you want to go exploring on your weekends! The tourism ‘i-site’ near the Viaduct can provide you with brochures and local recommendations. Alternatively you can check out the Auckland Tourism page for inspiration: aucklandnz.com/visit

Places of worship
There are many different places to worship in Auckland if you are religious. Places of worship such as the MacLaurin Chapel and Muslim prayer spaces, are available on or near campus, and on-campus groups provide fellowship for students from most major religions (auckland.ac.nz/spirituality).

Shopping in Auckland
Grocery shopping
Auckland has a wide range of supermarkets such as New World, Countdown and Pak ‘n’ Save that stock everyday groceries. For those with kosher or Halal dietary needs, there is information available online: ahu.org.nz/kosher-biwi (or search ‘Halal’ in the search bar of the University website auckland.ac.nz).

There are two Countdown supermarkets near our University residences. The first, Countdown on Quay Street is open 24 hours — you can catch the Inner Link Bus to get to it. The second is inside the Westfield Mall in Newmarket (open 7am–10pm daily). Again, you can take the Inner-Link or Outer Link bus to get there.

Around the city there are Asian food supermarkets (such as Tai Ping on Beach Road or Lim Chhour on K Road), which are great places to buy cheap produce and specialty goods. You can also find Parnell Markets open on Saturdays from 8am-1pm.

Retail shopping
Auckland has a wide variety of shopping centres and stores to satisfy all your retail therapy needs. Within walking distance of the University residences is the newly developed Commercial Bay precinct, which has a range of stores that stock both basics and luxury garments. Newmarket is just a short bus or train ride away and also offers a wide range of retail shops in addition to rooftop dining options.

Other major shopping centres within bus or train distance include Sylvia Park and Westfield Malls in Newmarket and St. Lukes. These offer a huge range of stores, from specialist goods to essentials such as The Warehouse and Kmart. Normal business hours in New Zealand are 9am–5:30pm Monday to Friday. Most shops are also open over the weekends.

You will need to carry around your passport or other forms of legal ID as proof of age if you want to enter bars or buy alcohol. Alternatively (and a lot more safely), you can also get 18 + ID cards by applying through the Post Office. They cost $20 and you will need to get your signature witnessed by a Justice of the Peace.

Transport
Public transport is managed by Auckland Transport, an Auckland Council controlled organisation. Rail, bus and ferry services are called AT Metro. AT Metro train and bus services depart from Britomart Transportation Station and Bus Terminal, located on the corner of Customs Road and Queen Street Downtown, as well as on Symonds Street.

The Inner and Outer Link buses stop on Symonds St near the K Road intersection. This service provides transport to many main attractions, shopping areas and entertainment venues around central Auckland. Downloading the AT Mobile app is a good idea as it has useful updates about transport options and traffic in and around Auckland.

The City, Grafton, and Newmarket campuses of the University of Auckland are within a 10-15 minute walk of the Residence.

Public e-bicycle and -scooter sharing services are very popular and used widely around Central Auckland. If you choose to use these services please follow all health and safety guidelines outlined in the app and ensure that you leave any bikes or scooters outside of Accommodation property so that they remain accessible to non-residents using the service. Only registered, personal bicycles and scooters can be stored in Accommodation designated bicycle storage areas. At no time can battery operated transport be inside any University buildings as this poses a safety and security risk.

Departures
At the end of your Residential Agreement you will need to depart the residence. To prepare for departing the residence you will need to work closely with your Accommodation team to make sure that all of the correct steps are followed.

Generally you will need to provide a departure date, arrange a room inspection, tidy and clean your room, settle your account and hand back your keys. More information will be given to you at least one month prior to departure from the Hall.

Conduct & Residential Rules

Residential conduct process

Introduction

Members of the University’s Residential Community are responsible for their own actions as well as the actions of their guests. It is the expectation of the University that each resident will respect all other residents and their property and the residential environment. However, some members of the community may, either by error or intent, violate community standards or push test boundaries. As these situations occur it will be necessary to hold these members accountable for their actions. It is the intent of the University to approach these violations from an educational perspective, when appropriate. However other sanctions or requirements may be necessary to ensure that the Residential Community continues to be a positive and supportive community, conducive to growth and academic achievement. It is the responsibility of each student to be aware of Residential Rules and expectations the University has for residents.

Conduct process steps

Residents who violate Residential Rules will be subject to a conduct process. The Resident conduct process typically occurs as follows

1. Incident report or formal complaint

Incident reports regarding alleged violations of the Residential Rules are submitted by staff members. Any community member may report an incident by submitting a written account of the incident to an Accommodation staff member.

2. Investigation and request for information

The Resident Manager or Resident Coordinator review the report. After the review, staff will either close the case with no action deemed necessary or conclude that a potential violation may have occurred and a conduct meeting or request for more information is necessary.

3. Conduct meeting

If a conduct meeting is necessary, any one of the following may occur:

- The Resident Manager or Resident Coordinator will manage the meeting and process
- Cases involving allegations or serious violations or continued repeated offenses may be referred up to the Head of Operations - Accommodation and/or the Associate Director (Accommodation), Campus Life
- Cases may be reported to the University Proctor
- Cases may be also heard by the University Student Discipline committee, if deemed appropriate by the Associate Director (Accommodation), Campus Life

The appropriate conduct meeting forum is determined by a member of the Accommodation management team.

The Resident will receive notice via email through the student’s preferred email listed in SSO or phone call to their listed cell phone. Notices include information about who will be present at the meeting, a brief outline of the incident, and the date, time and location of the meeting. If a Resident chooses not to attend the meeting, the designated manager will review all of the available information in their absence and determine a response in conjunction with the Head of Operations - Accommodation.

Attendance is important at these meetings, therefore if a Resident cannot attend due to an academic conflict or other significant engagement then they will need to reschedule as soon as possible with the relevant manager.

The conduct meeting will serve as an opportunity for the Resident to share their perspective of the incident and any other relevant information and for staff to engage in a conversation about appropriate community living here at the University of Auckland.

During the conduct meeting the manager will introduce the situation, outlining the incident, why a conduct meeting has been called and the relevant Residential Rules that have been broken and asking for the resident’s version of events. The resident is welcome to bring a support person and/or residents that may have been involved in the incident in question but not noted on the report.

After the meeting the manager will go away and think about the evidence given and then make a judgement. The resident will be invited back to hear the decided outcome of the incident and any sanctions that may be issued.

Sanctions

Sanctions that may be issued at the Residence level by a Resident Coordinator include:

- Verbal warning
- Community Service
- Monetary fines or donation to an approved charity up to $100
- Alcohol / Drug education
- Counselling and/or health services evaluation
- Educational project
- Cost recovery

- Guest bans
- Behaviour agreements

Sanctions that may be issued at the Residence level by the Head of Operations - Accommodation include those of the Resident Manager, with the addition of:

- Transfer to another University operated or affiliated Residence
- Exclusion from the Residence
- Recommendation for eviction from the Residence to the Associate Director - Accommodation
- Monetary fines or donation to an approved charity up to $1500

The Head of Operations - Accommodation has the power to take disciplinary action as outlined in the University Statutes (refer: University Statutes / Statute for Student Discipline, clause 3(g)).
Resident appeal

The Associate Director (Accommodation) will review the information and the process undertaken and give a final decision. Only one appeal of the outcome of a conduct meeting may occur. Residents are not afforded multiple appeals for a decision.

The rules are formulated with a view to the safety and welfare of residents, consideration for the needs of others, and the protection of property. The rules are intended to benefit all residents. However, the expectations of you outlined in the rules should not be seen as an exhaustive list. In becoming a resident, you become a member of the residential community and accept the responsibilities and obligations of being a good neighbour and citizen, whether or not they are detailed in the rules.

The Residential Rules form a part of your Residential Agreement. These rules apply to Grafton Hall (including Grafton Student Flats), O’Rorke Hall, University Hall – Towers & Waipārūrū Hall. By signing the residential agreement, you agree to abide by these rules.

The 2024 Residential rules are in effect from 1 January 2024 through 31 December 2024. If you have any feedback or clarifying questions about the Residential Rules please address these to the Head of Operations – Accommodation and email residentialexperience@auckland.ac.nz.

2. BEHAVIOURAL RULES

GENERAL BEHAVIOURAL RULES AND UNIVERSITY CODE OF CONDUCT
As members of the University of Auckland community, we all agree to behave in ways that make our University community safe, inclusive and equitable for all. - If you are party to any offence under these rules committed by another resident or guest, you shall be liable to be charged with the same offence and be subject to the same disciplinary proceedings. [Note: In this clause ‘party’ includes any resident who in any way aids, assists, counsels, procures or encourages another to commit an offence under these rules.]
- As a Residential Agreement signatory, you are responsible not only for your behaviour but that of your partner, children and guests. This includes any actions which may threaten the safety and well-being of residents, their guests, staff members, and/or the property, which may result in the termination of your residency.

BULLYING, HARASSMENT, HARMFUL SEXUAL BEHAVIOUR AND DISCRIMINATION
Bullying is any repeated unreasonable behaviour that is directed towards a person, or group of people, that can lead to physical or psychological harm. This includes cyberbullying. Harassment is unreasonable or unwelcome conduct that is offensive, humiliating or intimidating to any other person and is either repeated, or of such significant nature that it has a detrimental effect on the person, their performance or their work and study environment. It includes gender-based, racial and sexual harassment. - Harmful sexual behaviour including sexual harassment, sexual assault, and bullying of any kind, undermines safety and respect, and may be a breach of the University’s bullying, harassment, and discrimination policy.

Harmful sexual behaviours can be defined as:
- any unwanted sexual behaviour towards another person
- anything sexual without consent
- sexual violence can occur:
  - physically (e.g. rape and assault)
  - verbally (e.g. saying something of a sexual nature to another person without their consent)
  - visually (e.g. making another person watch porn without their consent)
- online (e.g. sending another person sexual messages or images without their consent).

Harmful sexual behaviours can include, but are not limited to:
- sexual harassment
- sexual assault (including rape)
- incest
- bestiality
- any form of unwanted sexual advance

### IT ACCEPTABLE USE POLICY

The University policy for acceptable IT use applies to all residents.

- Refer to: IT Acceptable Use Policy

### NOISE

Living in any large residential community requires consideration and respect from everyone. Living in University accommodation is a social place where some noise will be present on site, but our Residents are first and foremost students, and an environment conducive to studying will always take priority.

- Out of consideration to your fellow residents, you may not make excessive or disruptive noise at any time.
- You must exercise extra restraint between 10.00pm and 7.00am when most other residents are likely to be sleeping. This includes weekends and public holidays.
- You are also expected to take some responsibility for the noise around you, by asking others to be quiet when they are being unnecessarily noisy or unintentionally disruptive.

- You must lower your noise level when asked to by other residents.
- Large speakers and/or sound systems are not permitted and may be confiscated due to the risk of impact on other students.
- If you experience problems with the volume of noise that you cannot solve, contact a member of staff.
- You are also expected to be considerate of residents in the immediate neighbourhood of the residence. This means not causing any unnecessary disturbance or annoyance.
- Upon completing end of semester exams, you must show consideration to other residents who are still studying for exams.
- Any breach of noise curfews during examination periods will be viewed seriously and you will face disciplinary action which may result in a fine and termination of your residency.

### PARTIES & EVENTS

We understand that during the course of the year our residents will celebrate special events such as birthdays and exam results, but residents should consider using alternative external venues if they wish to have several guests at one time as the amount of noise generated by more than one guest generally exceeds acceptable levels.

- Out of consideration to other residents, you may not hold a party in any bedroom or hall common room (except with the express, written permission of the Head of Operations - Accommodation or their delegated authority who will negotiate conditions with those wishing to hold the party).
- A party is in this context defined as an event that has ten or more guests and that includes alcohol and/or risk of high-volume noise.
- Gatherings that cause disruption to other residents or create any damage or additional cleaning to the property are not permitted and will be shut down immediately.
- Any member of the accommodation management team can close down an unauthorised party.

### OBSTRUCTION

- You and/or your guests are not permitted to obstruct any accommodation management staff or authorised trades people in the performance of their duties.
- You must comply with any reasonable direction given by a person holding such authority on the hall premises.

### 3. ALCOHOL, DRUGS & SMOKING

#### ALCOHOL

The University of Auckland's Accommodation respects the rights of individuals to consume alcohol in a legal and responsible manner. The University's rules and guidelines concerning alcohol use are intended to promote personal responsibility regarding an individual's decisions concerning alcohol use or abstinence. It is expected that these decisions will be based on personal values and social responsibility, conform to the laws of New Zealand and support the health and welfare of oneself and others.

Anyone who chooses to consume alcohol will be held fully responsible for his/her behaviour while under the influence of alcohol. If you are in breach of the alcohol rules/guidelines or if the accommodation management team have concerns about your use of alcohol, they will intervene and set behaviour expectations for you.

Failure to comply with the specifics and spirit of the alcohol guidelines can result in terminating your Residential Agreement.

#### Responsible Use of Alcohol includes:

- Compliance with statutes regarding alcohol use, possession, and distribution.
- Making informed decisions about whether and/or when to use alcohol.
- Knowing your alcohol tolerance limits and not exceeding them.
- Behaving in a way that is not disruptive or otherwise harmful to you or others when you are consuming alcohol.
- Assuming accountability for your actions while under the influence of alcohol.
Avoiding binge drinking. The alcohol Advisory Council of New Zealand has defined binge drinking as:

- For women, drinking four or more standard* alcohol drinks per drinking occasion, for men, drinking six or more standard* alcohol drinks per drinking occasion.

* The definition of one standard drink is 10 grams of alcohol. If you drink a 330 ml can of beer or a 100 ml glass of table wine or a 30 ml glass of straight spirits, you are drinking approximately 10 grams of alcohol, depending on the alcohol percentage.

- Not coercing or forcing anyone of any age to consume alcohol.
- Refraining from engaging or participating in drinking games.

The Health Promotion Agency (http://www.alcohol.org.nz/) offers information and guidelines for responsible drinking. They also have a number of online self-assessment tools relating to alcohol consumption.

Specific rules for halls consistent with responsible use of alcohol:

- You may keep a moderate amount of alcohol in the privacy of your own bedroom, unless you are under 18 years old. The Head of Operations – Accommodation / Resident Manager may define “moderate” as needed but in no case can it exceed 2 litres at any one time.
- Permitted types of alcohol are as follows: beer, cider, RTDs or wine.
- Spirits are not permitted; this is due to associated risky behaviour.
- Wherever possible it is highly recommended that the alcohol container is not breakable (metal or plastic).

- Consumption of alcohol in your room is not permitted after 10:00 pm.

- On Thursday, Friday and Saturday nights (except during alcohol free periods) you are permitted to responsibly consume alcohol in any other common area – including balconies, lifts, common rooms, corridors, and all other communal living areas, and within the grounds of the property - unless there is a special event organised with the written permission of the Resident Manager or their delegated authority.

Note: All dining rooms will create an alcohol- free zone when alcohol is permitted in the dining room. The alcohol-free zone should be located so that any student not wanting to be subjected to alcohol can enter the dining room, get their meal, sit and enjoy their meal without having to pass by tables where alcohol is being consumed.

- While everyone may describe “responsibly consume” differently, the intent is to allow you to enjoy a glass of wine, a cider (or two) or a beer (or two) with your meal. You run the risk of losing this privilege if you supply or consume an amount that is not consistent with what one might have in a nice restaurant. Students who are intoxicated or behaving inappropriately will be asked to leave the dining hall.
- Boxes/creats, kegs, home-brewing apparatus and drinking paraphernalia (i.e., drinking funnels) are not consistent with the requirement of a moderate amount of alcohol/responsible use and will not be permitted.
- Storing alcohol in communal areas, including refrigeration is prohibited.
- On designated alcohol-free floors alcohol is not permitted to be consumed or stored anywhere on the floor.

- Alcohol-free periods will be in force in the hall at various times during the year. This includes the period leading up to and during examinations at the end of each semester. During these times you may not be in possession of, or consume, alcohol in any part of the hall. This will be at the discretion of the Head of Operations – Accommodation.

- Any prohibited alcohol found by staff as outlined above may be confiscated. Unopened vessels will be held and can be claimed at the end of your residential period. Opened vessels will be disposed of immediately.

- All alcohol related incidents requiring additional cleaning of a room, or area of the Hall will result in the individual responsible for the necessary cleaning costs. If the individual responsible cannot be identified, then the charges will be made to the hall.

- If you are in breach of the rules relating to alcohol, or the accommodation management team have concerns about your use of alcohol, they will intervene and set behaviour expectations for you.

**DRUGS**

- Non-prescribed or illegal drugs are strictly forbidden in the hall.
- You may not possess, cultivate, manufacture, use and/or distribute any non-prescribed or illegal drugs. You may not distribute prescribed drugs.
- Any paraphernalia which assists in the inhalation or consumption of drugs is prohibited, and if found will be confiscated and disposed of immediately.
- If you are discovered possessing, using or selling such substances you face eviction within 24 hours and possible criminal prosecution.

**SMOKING**

The University of Auckland is a smoke and vape free campus.

- You may not smoke or vape anywhere within the residence or grounds of the residence; this includes all smokable products including vapes and e-cigarettes. Smoking and vaping is not permitted in any building or grounds controlled by The University of Auckland. The residences are required to comply with the smoking policy of the University.

- This rule applies to visitors as well as all residents.
- If your bedroom or any communal areas have been contaminated or damaged by smoking, you will be charged, in addition to other possible penalties, for the commercial cleaning of all furnishings such as the bed, bedding, linen, curtains, carpet, and any furniture fabric.
- Violating the University Smoke free Policy will immediately incur fines and repeated violation may lead to eviction.

Smokefree NZ (https://smokefree.org.nz/) offers guidance on where to seek free help to quit smoking.

4. PROPERTY AND BUILDING

**DAMAGE**

- You are responsible for your room and its contents.
- You will be held responsible for any behaviour which results in the need for replacement, repair or cleaning of your room or common facilities in the residence.
- You are responsible for paying for costs involved in cleaning, repairing, or repainting your room if you have not maintained it to the standards set or the condition of the room on arrival, fair wear and tear excepted.
- Please report any accidental damage. If you admit to causing any accidental damage, we will endeavour to keep any remedial costs to a minimum. However, if no-one reports damage or takes responsibility for any damage, individuals, floors or even all residents will be held liable for extra charges.
- You are responsible for the behaviour of your guests while on the premises. Damages caused by your guest(s) will be charged to you accordingly.
- You are not permitted to replace or make your own repairs to equipment, fittings or furniture provided in your residence. You must make arrangements with your accommodation management for any repairs.
- You may not damage walls with adhesives or similar products.
- You cannot take furniture or plants from common areas to a different floor or into your bedroom.
- Please keep your feet off all tables and do not sit on tables. These actions are culturally offensive in New Zealand.

**PESTS**

- The University has a pest management scheme in place for Accommodation. Please do not attempt to fumigate your room yourself.
- If the cleanliness and/or hygiene of your living space has caused a pest issue, the University reserves the right to on-charge the resulting pest control costs to you.

STORAGE
- All of your possessions must be removed from the residence at the completion of the term of your residency.

- You are prohibited from subletting your room/studio/apartment or using your room/studio/apartment for temporary/ holiday rental accommodation.
- You are prohibited from offering your room/studio/apartment to another student (before moving in/before withdrawing) on behalf of the University. All formal accommodation offers are made by the Accommodation Solutions office.

SAFETY & SECURITY

SAFETY RULES
- You must behave in a responsible manner and ensure your actions do not put yourself or others at risk.
- You may not have or store firearms or other weapons within the property. They are strictly forbidden at all times.
- You may not, under any circumstances throw anything out of windows or from balconies. This includes but is not limited to paper, bottles and/or liquids. This is a life safety violation, and the first instance will result in fines.
- You may not, under any circumstances whatever go onto the roof of any residence. Failure to comply may result in immediate eviction from University accommodation.
- You cannot burn anything in your room. Candles, incense or any open flame items are not permitted onsite any accommodation. Safer alternatives are battery-operated candles and reed diffusers.

- You may not have or use fireworks in and around the hall. All fireworks are strictly forbidden at all times.
- You may not store or charge e-scooters or e-bikes in your bedroom or on living spaces. Incorrectly charging e-scooters can cause violent fire, these may only be charged where indicated.
- It is against the law to tamper with fire equipment, including exit signs. You cannot interfere with fire door extinguishers for any other purpose than putting out a fire are violations and will be subject to disciplinary action and possible criminal proceedings which may result in eviction from the property. Any fire equipment repair/damage or replacement resulting from misuse will be added to the resident’s account.
- Please take particular care with toasting bread. You should note that burning toast can (and has) set off the smoke alarms and will be considered an accidental callout.
- If you cause the fire alarms to be activated (either accidentally or maliciously) then you will bear the charge from the Fire & Emergency NZ for a false, callout. If the person responsible cannot be identified, the charge will be borne by all residents as part of a levy. Tampering, disabling or covering a smoke detector can cause the fire alarm to be activated, for which you will be responsible. At the time of writing, this charge was $1,125 +GST per callout.
- Some windows have a security stay fitted. You may not alter or remove these. Doing so will incur heavy penalties.
- You may not hang anything outside any window or balcony.

- Do not lend your keys or Campus Card to anyone.
- Please always keep your keys and Campus Card with you when you leave your room and look after them.
- Your Campus Card or key will allow you to enter the building through the main entry on a 24-hour basis.

- If you are assigned a temporary access card, it must be returned within the timeframe designated by Accommodation staff. A temporary access card is not a long-term replacement for your personal Campus Card, any loss or damage of a temporary card in your possession will incur a replacement fee.
- If you are given an access device for a vehicle gate and you lose this, you will need to pay for the replacement.
- If you find a key or Campus Card, please return it to accommodation management or University Security.

EMERGENCY EVACUATION
- Emergency evacuation procedures are detailed in the Resident Handbook and displayed throughout the Hall.
- The evacuation alarm is the continuous sounding of sirens.
- If the fire alarm sounds, the buildings must be evacuated immediately, and you must proceed to the assembly area.
- Throughout the year, a number of alarm tests and trial evacuations will take place. You must always treat the sounding of an emergency alarm as a real emergency and follow prescribed evacuation procedures.
- You may be disciplined if you ignore emergency alarms, or use routes not designated as emergency exits.
- There are designated fire and evacuation wardens responsible for certain areas. In the event of an emergency, you must follow their instructions immediately and without question.

CONCERNS ABOUT YOUR SAFETY AND/OR WELLBEING
Accommodation cares about the safety and wellbeing of all our Residents. We have systems and structures in place to help ensure you are looked after. These include regular meetings with your Accommodation team (including checks on you in your bedroom or living space, where we have given you advance notice), record keeping, and creating safe environments, through a whole of University approach. When the hall is concerned about you due to inactivity the hall will take steps to connect with you.

There may be times when concerns are raised about your safety and/or wellbeing. These concerns could be raised by your friends, whānau, members of the university staff/community or your Accommodation team. When concerns are raised, Accommodation will undertake steps to check on you. These steps include, but are not limited to:

• Accommodation staff will check your bedroom and living spaces.
• Accommodation staff will check with your friends in the Hall and your Resident Adviser.
• Accommodation staff will look at your access and activity records. These include but are not limited to:
  • Your meal swipe activity.
  • Your building access activity.
  • Your participation in events and engagement opportunities held by Accommodation and/or the University.
  • If needed, your device activity on University of Auckland Wi-Fi and learning management systems.
• Where appropriate we will contact your designated emergency contact (and, if you are under 18, your parent/guardian)
• Where appropriate we will contact Te Papa Manaaki/Campus Care and may take steps to connect you with other relevant support services.
• Where appropriate we will also involve the Police and other Emergency services as is applicable to your situation.

6. LEAVING THE RESIDENCE

OVERNIGHT / WEEKEND ABSENCE
• In order to establish your whereabouts in the event of an emergency, we ask you to notify your accommodation management team whenever you are going to be away from the hall overnight, or longer.
• You must be entitled to a refund or reduction of accommodation fees when you are absent.
• If the accommodation management excludes you from the hall because of illness, you will be given the option of terminating your residence (in which case your liability accrues only up to the day of departure).

VACATING YOUR ROOM AT THE END OF YOUR RESIDENTIAL AGREEMENT
• Before leaving at the end of your Residential Agreement, you must clean your bedroom thoroughly and ensure that all common areas are also clean.
• Your room will be inspected by a member of the accommodation management team once you have removed all personal belongings and rubbish. You should be present for the inspection.
• If you finish your residency, you must advise the accommodation team of your intended leaving date to arrange a mutually convenient time for a final inspection.
• If, at the time of the final check-out inspection you have not cleaned your bedroom to a satisfactory standard, you will be charged an additional cleaning fee. The cleaning fee starts at a minimum of $50.00.
• You must request an inspection and have the details confirmed at least one week in advance of the date requested. If a mutually convenient time for the final check-out inspection cannot be arranged, or should you vacate your bedroom without requesting a final check-out inspection, the findings of the accommodation management team will be final and binding.

7. CANCELLING YOUR RESIDENTIAL AGREEMENT
If you need to cancel your residential agreement before it ends you must see the Resident Manager. Contract cancellation is approved on an individual basis and may incur substantial cancellation fees, particularly for students who cancel their residential agreement and remain a student at the University.

8. GUESTS/ VISITORS
GUESTS
A guest is any person who is not a current resident (in your specific residence) or staff member. This includes all former residents. The following rules are necessary to ensure compliance with fire and safety regulations, and so that staff know how many people are in the building in the event of an evacuation.

• Your guests will not be provided access by members of the accommodation management team, any guests must be escorted through the property and always remain in your company.
• Your guests are not permitted to enter the hall if you are absent unless another resident undertakes full responsibility for the visit and the guest remains in their company until departure.
• You are held fully accountable for your guest’s behaviour and actions from the time the guest is signed in up to the time they leave.
• You are most welcome to enter the hall provided they:
  • Are met at the front door by you, their host, and signed into the guest register.
  • Are sober, quiet and well-mannered.
  • Behave responsibly while on the premises.
  • Remain in your company while on the premises.
  • Are accompanied to the front door by you when it is time to leave.
  • Leave quietly when they depart.
  • Leave the building before 1am.
• Guests are discouraged during the first 2 weeks after arrival as residents and staff are getting to know each other whilst navigating university orientation. There are additional times throughout the year (study & exams weeks) when overnight guests are not permitted, but residents are advised in advance.

OVERNIGHT GUESTS
• If a family member or a friend wants to stay for a night or two, they are generally welcome to stay provided you have made arrangements in advance with Accommodation.
• You must discuss arrangements with the accommodation management team who will advise of the terms/conditions for guest accommodation and will usually approve the arrangement.
• Residents are limited to one overnight guest for no longer than two nights in any one calendar week (Mondays to Sundays), and there must be a break of at least two nights between visits. It is likely that visits exceeding 2 nights will be denied.
• The overnight guest is over 18 years of age.
• Overnight guests must be signed into the guest register.
• Twin-share rooms pose particular difficulties in accommodating overnight guests and thus where a room is twin-share it may not be possible to allow overnight guests.
• You may not have any overnight visitor during study weeks and exam periods.

9. CHANGES TO RULES
• The University reserves the right to amend or add to these rules during the term of residency.
• All current residents will be notified of any amendment or addition to rules before they come into force.
• When possible, residents will be consulted on rules changes in advance.
