

A sneak peek at the draft Admissions and Enrolment Experience Policy and Procedures - have your say!

We're on a mission to improve students' admission and enrolment experiences at the University! Check out the lowdown for our brand-new draft Policy and Procedures – your passport to an effective, fair, and transparent experience. Make sure to take a look and tell us what you think. Here's a quick summary!

1

INFO FOR APPLICANTS

Ensuring clear, concise, and easy-to-understand details at your fingertips so that prospective students and whānau will have everything they need to know about programme eligibility and admission requirements.

FAIR SELECTION CRITERIA

We're all about fairness! The Policy and Procedures will ensure that admission criteria are fair, evidence-based, and support/predict likely success in the programme, and regularly reviewed. For students transferring or moving forward in their studies, don't worry! We're thinking about them too. We want to make sure they're not left behind, so we're giving extra thought to their needs when deciding on the entry requirements and rules.

3

GPA SIMPLIFIED

Say goodbye to complexity! We're aiming to set a standard Grade Point Average (GPA) for admission to postgraduate programmes, making things simpler and supporting faster decision-making.

WIDENING ACCESS

Diversity rocks! We're wanting to recognise a variety of student backgrounds in both academic study and experience, incorporating them into admission criteria. Your unique journey matters.

4

5

DECISION-MAKING MAGIC

Transparency is our superpower! The Policy and Procedures ensure clear and efficient decision-making principles, so you always know what's happening and why.

ENROLMENT MADE EASY

Reducing enrolment hurdles! Once admitted, students can dive into core courses from day one. Students will be able to enrol in a full year of courses following admission, with no tricky system stuff to slow you down. We're also keeping it crystal clear for you! Get all the info you need about courses, including any limits, selection criteria, or must-haves. Your path to success starts with straightforward details!

6

7

PREREQUISITES THAT MAKE SENSE

Course prerequisites are all about setting you up for success. We'll ensure that they are based on students' academic readiness and potential to complete the course.

TIMELY DECISIONS

We know time matters. The changes will enable decisions on admissions and enrolment to be made as quickly as possible – less waiting around!
