## What information is available in my script?

---

Grades in Inspira and Canvas may differ from your final grade as posted on SSO.

Your examiner will advise why provisional grades or marks in Canvas and Inspira may differ from your final grade for the course.

The first page of your script offers the following information:

(**Note:** This information is only provided when the **Download as PDF** option is selected.)

**1. Status** of the question

The status appears as either **Correct, Wrong, Partially correct**

**2. Marks**

The mark you achieved for the question out of possible marks.

If there were questions within your exam that had multiple parts, you can only see the overall mark.

For example, a File Upload question may have multiple parts, you only see the total marks.

**3. Question type**

For example, multiple choice, essay, file upload
