What is a team?
You can create or join a team to collaborate with a certain group of people. Have conversations, share files and use shared tools with the group – all in one place. That group could consist of a class of students and educators, a group of staff and educators collaborating on a topic, or even a group for a student club or other extracurriculars.

Class teams

Class teams provide special capabilities tailored for teaching and learning

Add channels and manage your team
You can change team settings, add members to the class team and add channels .

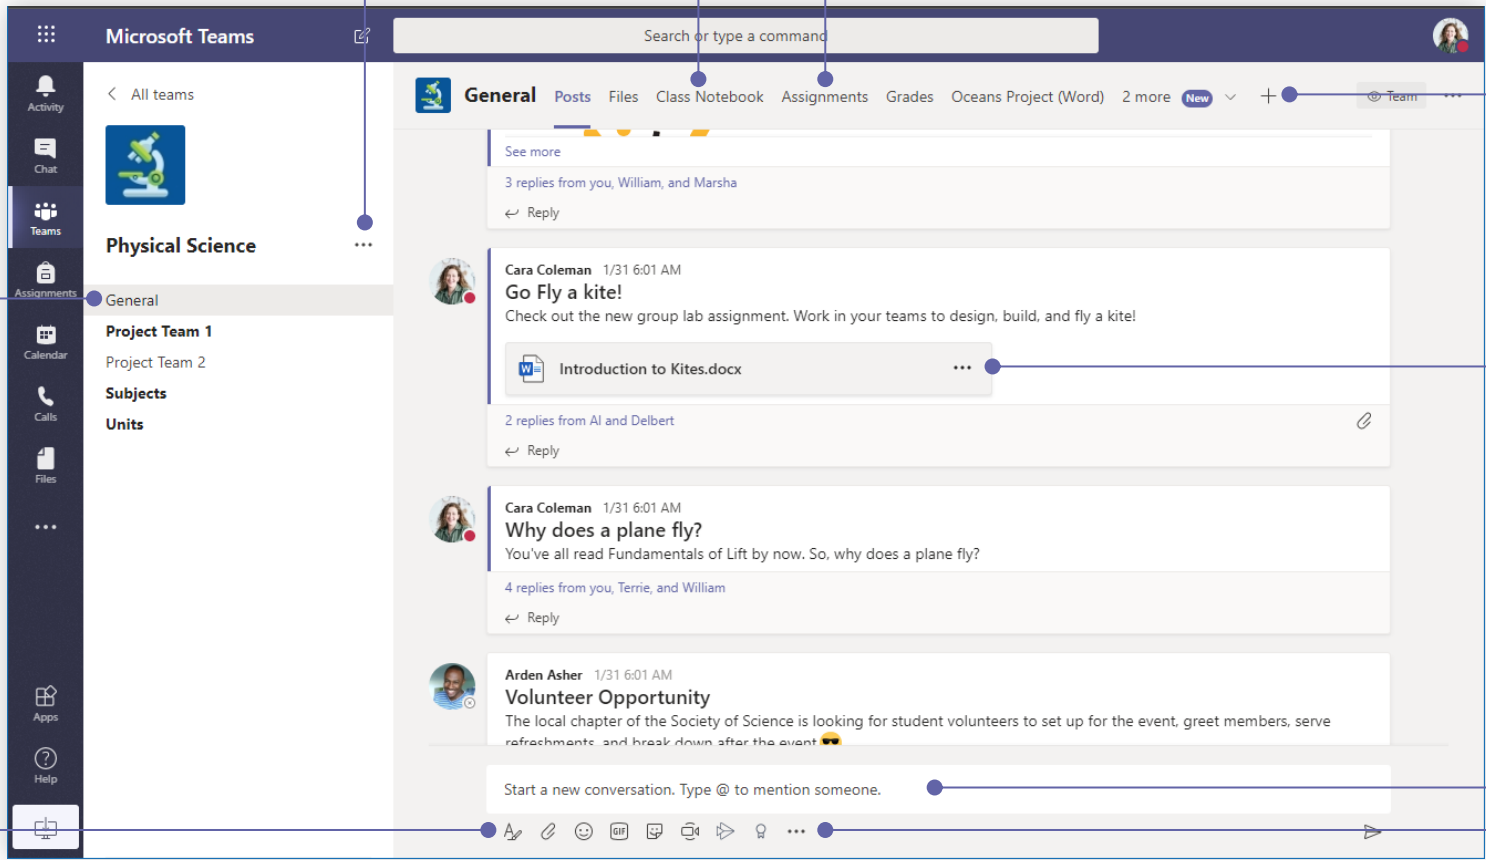

Open Class Notebook
Class Notebook is a digital binder you can use in your class to take notes and collaborate.

Open Assignments and Grades
Assignments allows educators to create and distribute assignments. Students can complete and turn in their assignments without leaving the app. Educators can use the Grades tab to provide feedback on assignments and track student progress. Students can see their progress, too.

Every team has channels
Click one to see the files and conversations about that topic, class unit, or week in the course. You can even have private channels for group projects!

Every team comes with a General channel. Open channel settings to add new channels, manage notifications and other settings.

Format your message
Add a subject, format text, convert the message to an announcement, post across multiple teams or control who can reply and more.

Add tabs
Explore and pin applications, tools, documents and more to enrich your class. We're constantly adding more education specific tabs. Check back often.

Share files
Let class members view a file or work on it together.

Start a discussion with the class
Type and format you message or announcements here. Add a file, emoji, GIF, or sticker to liven it up!

Add more messaging options
Click here to add new messaging capabilities like polls, Praise, and more to enrich classroom discussion.

Microsoft Teams for Education

Sign in

In Windows, click **Start** > **Microsoft Teams**.

On Mac, go to the **Applications** folder and click **Microsoft Teams**. On mobile, tap the **Teams** icon. Then, sign in with your school email and password.

Start a conversation

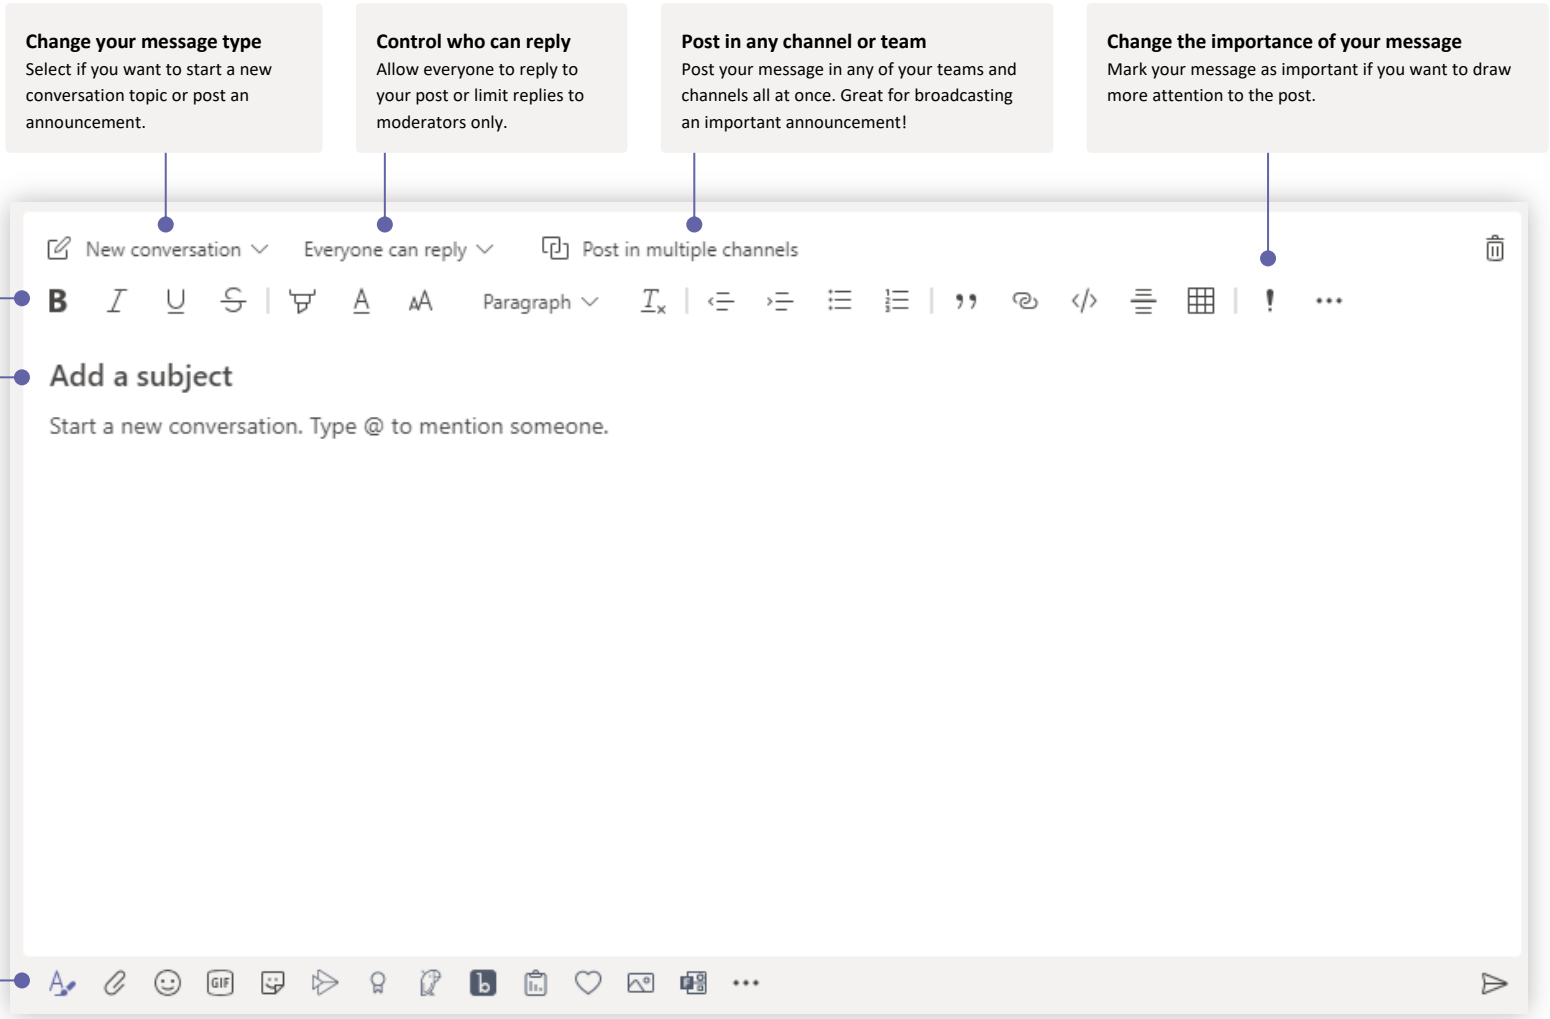

With the whole team... Click **Teams**, pick a team and channel, write your message, and click **Send**.

With a person or group... Click **New chat**, type the name of the person or group in the **To** field, write your message, and click **Send**.

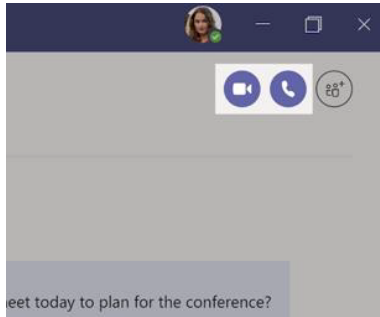

Enrich your channel posts

Create classroom announcements and posts. Edit your post to get your students' attention, control who replies, and post across multiple channels.

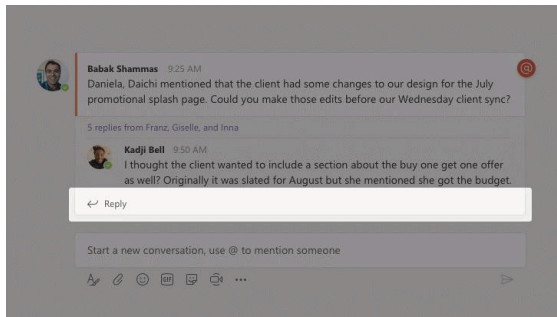

Make video and audio calls

Click **Video call** or **Audio call** to call someone from a chat. To dial a number, click **Calls** on the left and enter a phone number. View your call history and voicemail in the same area.

Reply to a conversation

Channel conversations are organized by date and then threaded. Find the thread you want to reply to, then click **Reply**. Add your thoughts and click **Send**.

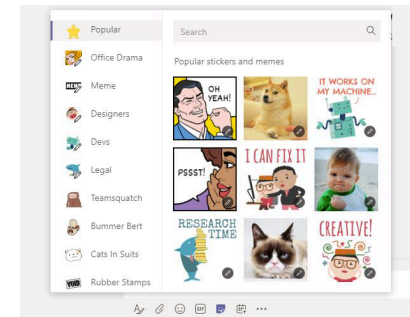

@mention someone

To get someone's attention, type **@**, then their name (or pick them from the list that appears). Type **@team** to message everyone in a team or **@channel** to notify everyone who favorited that channel.

Add an emoji, meme, or GIF

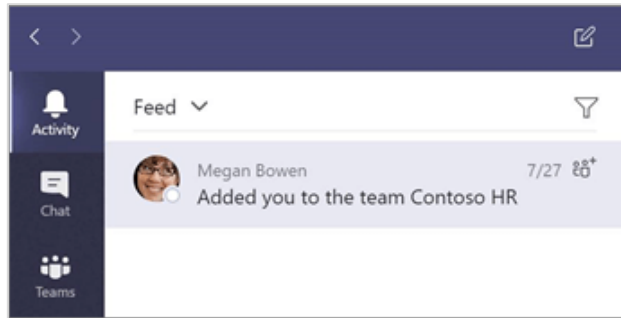

Click **Sticker** under the box where you type your message, then pick a meme or sticker from one of the categories. There are also buttons for adding an emoji or GIF. Search for MicrosoftEDU in the GIF search box for extra fun!

Stay on top of things

Click **Activity** on the left. The **Feed** shows you all your notifications and everything that's happened lately in the channels you follow. This is also where you'll see notifications about your assignments.

Add a tab in a channel

Click + by the tabs at the top of the channel, click the app you want, and then follow the prompts. Use **Search** if you don't see the app you want.

Share a file

Click **Attach** under the box where you type messages, select the file location and then the file you want. Depending on the location of the file, you'll get options for uploading a copy, sharing a link, or other ways to share.

Work with files

Click **Files** on the left to see all files shared across all of your teams. Click **Files** at the top of a channel to see all files shared in that channel. Click **More options ...** next to a file to see what you can do with it. In a channel, you can instantly turn a file into a tab at the top!

Search for stuff

Type a phrase in the command box at the top of the app and press Enter. Then select the **Messages**, **People**, or **Files** tab. Select an item or click **Filter** to refine your search results.

Find your personal apps

Click **More added apps** to see your personal apps. You can open or uninstall them here. Add more apps under **Apps**. These apps provide an aggregate and global view of that content type.

Add apps

Click **Apps** on the left. Here, you can select apps you want to use in Teams, choose the appropriate settings, and **Add**.
