

Freshers 2024!

Hey everyone and congratulations, a warm welcome to you all! We know what it's like to face the conditions of entry into this program and having to overcome all the challenges that came with it. YOU MADE IT! Welcome to the UoA Medical School family, and what better welcome is there than with Freshers 2024!

Freshers is a long-standing medical school tradition, comprised of many iconic events spanning across a whole day to celebrate the beginning of your long and eventful journey towards becoming medical professionals. At Freshers, you'll be making friends who will be with you for the next five years and beyond! Regardless of whether you are coming from a first year or postgraduate pathway, we highly encourage you to sign up because you will not regret it. It's also an amazing opportunity to meet and speak with some of the third years who will be your team leaders!

Freshers will involve a whole day of activities and challenges at Long Bay Regional Park. There will also be the iconic cohort class photo which is super important so you can see how far you've come once you graduate. The day will end with a toga party at a to-be-determined venue. While we unfortunately missed ours due to the cyclone, we will strive to make yours all the better!

All the information you need will be posted on the Facebook page linked below. Please make sure you join and invite any of your friends that have received their acceptance letters. Feel free to reach out to us (Third-year Class reps) on Facebook with any questions. Once again, a huge congratulations and make sure you take time to celebrate and take a break!!!

We cannot wait to see you all there!

Bobby and Steven

(Class of 2027 Cohort Representatives) and the AUMSA team
