

Congratulations on your entry into Medical Imaging at the University of Auckland!

The Medical Imaging Student Association (MISA) would like to extend our warmest welcome to you as you begin your journey throughout this exciting programme. We are thrilled to have you join our small yet vibrant and growing community of medical imaging students. Throughout the MI programme, you will learn about the wonderful world of x-rays and the various pathways stemming from it. Although Medical Imaging is a relatively new clinical course at the University of Auckland, established in 2019, we are excited for you to join us on your journey to becoming a Medical Imaging Technologist!

MISA is a student association established by the University of Auckland's own Medical Imaging students, and the executive team is composed of Medical Imaging students (just like you!). You will also have the opportunity to join the executive committee in your first year of medical imaging as a Second Year Representative!!

With MISA, there are great opportunities like connecting with Medical Imaging students across all cohorts and being able to explore your leadership capabilities. Keep an eye out on our socials to apply for these roles! Our club is dedicated to supporting and enhancing the MI student experience through our social and professional development opportunities. Emphasis on social - while it is important to build a solid academic foundation, don't forget to keep yourself grounded by having some fun evenings with your peers!

Some of these prospective events are as listed;

- Pub quiz (Join up for some prizes!)
- Professional development evenings
- Clinical preparation sessions
- Painting evenings for some well-deserved R&R

Be sure to follow us on our social media to keep in the loop!

- MISA Instagram: @misa\_uoa
- MISA Facebook: <https://www.facebook.com/UoAMISA>
- Email: [misa.uoa@gmail.com](mailto:misa.uoa@gmail.com)

We will give you opportunities to sign up throughout the year, but you can do it now! Check out our Instagram for our sign-up link.

Signing up as a member gives you

- Discounts and perks from various stores (Spoiler: 10% off BBQ Chicken!!)
- Discounts to club events
- The opportunity to purchase 'Pre-Loved Uniforms', where you can purchase second hand Medical Imaging uniforms at a discounted price.

We are excited to meet you all at Orientation Day, and once again, congratulations on your entry into the Medical Imaging programme.
