

– A WARM WELCOME FROM MISA –

Congratulations on your entry into Medical Imaging at the University of Auckland!

The **Medical Imaging Student Association (MISA)** would like to extend our warmest welcome to you as you begin your journey on this exciting degree. We are thrilled to have you join our tight-knit yet vibrant community of medical imaging students and future MITs. Although the Medical Imaging degree is a relatively new clinical course at the University of Auckland, having been established in 2019, we are excited for you to join our tight-knit and welcoming community and embark on your journey becoming a Medical Imaging Technologist!

MISA is a student association established by University of Auckland's own Medical Imaging students and the executive team is composed of **10 Medical Imaging students** (just like you!), whom you will meet at future MISA events in the year to come.

You, yes you! Will also have the opportunity to join the executive committee in your first year of medical imaging as a **Second Year Representative** or **Marketing Coordinator**! These are both great opportunities to get involved in the Medical Imaging cohort and connect with students across the years. Keep an eye out on our socials to apply for these roles!

Our club is dedicated to supporting and uplifting medical imaging students through providing an engaging social environment and various professional development opportunities. We run many social and academic events, ranging from:

- Fresher's Orientation
- Steins and Cocktail Nights
- Study sessions
- Professional development evenings ... **And many more to come in 2024!**

These series of events will allow you to connect with your fellow students, faculty, and qualified MITs, as well as enhance your knowledge of medical imaging in general. Not only that, our events also give you the opportunity to destress and have fun as you progress throughout your degree, because work-life-balance is just as important as studying!

Be sure to follow us on our social media to keep in the loop on essential updates and events!

- MISA Facebook: <https://www.facebook.com/UoAMISA/>
- MISA Linktree: [@misauoa](https://www.linktree.com/@misauoa)
- Email: misa.uoa@gmail.com

Sign-ups to become a MISA member will be available at orientation day and during the course of your degree. Signing up as a member will not only give you discounts to our events, but also access to exclusive deals at your favourite places, such as Gong Cha, Mighty Hot Dog and many, many more! We also give MISA members exclusive access to our Pre-Loved Uniforms Drive, where you have the opportunity to purchase second hand Medical Imaging uniforms at a discounted price.

We are excited to meet you all at Orientation Day, and once again, congratulations on your entry into the Medical Imaging programme. We can't wait to meet you all and have a wonderful 2024 together!
