Science and innovation

Even as a small country, New Zealand has big ambitions. As a leading force in the global space sector, we invest in advanced technologies. Here you can learn alongside researchers solving the globe's biggest challenges in a country that's globally recognised for innovation*.

Nature and adventure

Discover our beaches, islands, forests and sweeping natural landscapes. Our international students make the most of their time here to see our country and experience life in and out of Auckland. Whether you're into hiking, adrenaline-fueled fun or relaxing by the water, you'll discover something new. **international.auckland.ac.nz/about-new-zealand**

Auckland is an exceptional place to live while you study. As New Zealand's largest city, it offers all the convenience of urban living – and hosts peaceful communities where you can connect with Kiwis and people from all over the world. Our mild weather and stunning natural landscapes provide space to make the most of your adventure.

As New Zealand's economic and commercial hub, Auckland is home to over a third of the country's businesses. Here, you'll find over 60% of New Zealand's top 200 companies and over half of New Zealand's top 200 tech companies¹. Our main campus is centrally located, offering easy access to shopping, cafes, and job opportunities. Plus, our beautiful parks and beaches are just a short distance away for you to enjoy!

Hiwa Recreation Centre

Our brand-new Recreation Centre, Hiwa, opened right in the heart of our City Campus in November 2024. It's more than just a gym, sports centre, and hang out spot. It's the new go-to place. You can enjoy more opportunities than ever before to get active and make new friends.

The 21,000-square-metre facility includes:

- Aquatics hall with an 8-lane swimming pool, dive tank, spa pool and sauna
- A fully equipped gym, sports halls, squash courts and specialised fitness studios
- Rooftop running track with panoramic city and harbour views
- Social and event spaces including café, retail and dedicated areas to relax and connect
