## Housing

Western University cannot guarantee on-campus housing to visiting exchange students for the 2023-24 academic year. We are optimistic that on-campus housing will be available to visiting exchange students, however, students should be prepared for the possibility of having to privately secure off-campus housing. Information about available on-campus housing will be released in June, 2023 directly to incoming students.

### On-Campus Housing

Information about on-campus residence arrangements may be viewed at: [https://residence.uwo.ca/resources/international\\_exchange\\_student\\_guide](https://residence.uwo.ca/resources/international_exchange_student_guide)

- Most exchange students apply to stay in Alumni House, a suite style upper-year residence.
- Note that all other University residences are primarily occupied by first-year undergraduate students (that is, most residents are 18-19 years of age). These residences will require the purchase of a meal plan and will have more rules regarding visitors and overnight guests.
- If students have an accessible housing request, they are encouraged to contact the housing department as soon as they receive their acceptance to Western Law ([housing@uwo.ca](mailto:housing@uwo.ca)).

### Off-Campus Housing

- Western University is in a residential area with many housing options close to campus. Western's off-campus housing office provides a wide range of services including listings for off-campus housing rentals; average rental prices for various types of accommodations in London; and advice and translation of rental agreements, terms and conditions. Staff are also available to provide personal assistance via email or phone.
- Off campus housing office: <https://offcampus.uwo.ca/>

## Campus Facilities

Western Law exchange students will have access to all Western facilities including wellness counselor, health services, libraries, campus internet, and printing facilities (for a fee), academic support, athletic facilities, intramural sports teams, university eateries, and university clubs.

### Buddy Program

Western Law facilitates a buddy program through which incoming exchange students are paired with Western Law students. The Western Law students serve as a resource for incoming students before they arrive, answering questions by email, and are a friendly face on campus to welcome exchange students to our campus community.
