Extending stay	<p>If a student wishes to extend their Autumn semester to the full academic year, they must apply to Global Opportunities by email by 01 November 2023, with permission from their home university.</p> <p>We will assess the current exchange balance and advise them if the extension has been approved. Extensions can't be granted by the host department.</p> <p>Students will be required to apply for a Student Visa if they wish to extend to a full academic year, and must ensure they understand the requirements for a new visa before applying to extend their stay.</p>
Application process	<ol style="list-style-type: none"> 1. Students to be nominated by their home university via our online form: we do not accept email nominations. As the nomination and application deadlines are the same, partners are asked to nominate students within enough time for students to submit their application. If partners require an extension they are asked to confirm this well in advance of the deadline. 2. If the nomination is in line with our exchange agreement, students receive a link to the online application form along with instructions on how to complete it. Students must provide an up to date copy of their transcript, translated into English, and their English language qualification (high school transcript if English is the first language) as part of their application. Architecture students will be required to submit a portfolio. 3. Students can be issued with a Conditional offer if they do not fulfil all the requirements for a full offer. Once they have met the conditions of their Conditional offer, they will be issued with an Unconditional offer. 4. Once students have accepted their Unconditional offer, they receive an email confirmation containing their applicant number. The applicant number allows students to apply for University accommodation and complete pre-registration steps.
Housing information	<p>Students can apply online for University owned accommodation once they have received their applicant number. University housing is only guaranteed for students studying in Sheffield for the full academic year.</p> <p>Students can also apply for private sector housing if they prefer.</p> <p>www.sheffield.ac.uk/accommodation</p> <p>Email: accommodationoffice@sheffield.ac.uk</p> <p>Tel: +44 114 222 4488</p>
