WHY STUDY AT PENN STATE?

Each year more than 11,500 international students, scholars, and faculty from over 140 countries choose Penn State for the variety of opportunities it offers. With 24 campuses, 100,000+ students, and the largest active alumni association in the world, there are no limits to success at Penn State. Penn State ranks highly in many disciplines from engineering and technology to social science, computer science, business, economics, and arts and humanities. Conveniently situated in central Pennsylvania, studying in State College allows students easy access to larger cities like New York City, Washington D.C., and Philadelphia.

Academic Year | August - May

Calendar Year | January - December

HOUSING

On-campus housing is available for exchange students, but it is not guaranteed. If available, the Housing Assignments Office will send an online housing contract to the student's Penn State email account for the applicant's review and acceptance. The housing contract is a legally binding agreement. Details about housing and meal plans, including cost, are available on the Housing website. Students can visit Off-Campus Living to find resources for apartments off campus in the event on-campus housing is not available, or if the student prefers to live off campus.

**Please note that students participating in the Calendar Year exchange program will need to find alternate accommodations during the summer. The same housing assignment as spring is not guaranteed in the fall semester.*

HEALTH INSURANCE

Health insurance is mandatory while at Penn State. Exchange students are required by The Student Health Insurance Office to purchase the Penn State Student Health Insurance Plan (SHIP). **Waivers will NOT be accepted for exchange students.**

APPLICATION PROCESS

After Nomination

Students will receive instructions for logging in to our application system and completing the following:

- Academic Transcript Upload
- Course Registration Form
- Nondegree Enrollment Form
- On Campus Housing Request Form

Once the application deadline has passed, the exchange coordinator will process all documents, assist students with enrolling in courses, and work with the housing office to assign housing contracts. Once all applications have been processed, students will be contacted by our International Student and Scholar Advising (ISSA) office regarding the DS-2019. They will be asked to complete the following items in our iStart system by a separate deadline:

- Passport & Biographical Information
- Financial Documentation
- Academic Information
- Submit Request for Review of Visa

Students will receive their DS-2019 visa document from ISSA via express mail service and are responsible for the mailing fee.

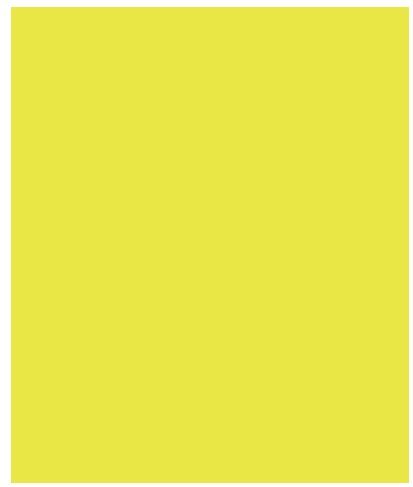

FINANCIAL GUARANTEE

Students must provide an official letter from a bank, in English verifying possession of the money to pay for expenses not covered by the exchange agreement. Funding must cover the entire duration of the exchange program. Parents and guardians who will financially support a student must also sign a Certification of Financial Support letter. Verification of financial support from the home university or home government is also acceptable. Do not email financial guarantee information. Documents will be uploaded to the secure iStart system.

ORIENTATION

International Student Welcome for incoming exchange students is **mandatory** and offered in the days prior to the beginning of the semester. Students should not book flights until orientation dates have been announced.
