Transfer Credit Application Form for Returned Exchange Students

Complete this form carefully. This information is used by the 360 International office to enter your credits into your University of Auckland degree.

Ensure that you already have sought approval for all the courses listed on this form, and that these course approval forms have been sent to 360 International with all appropriate signatures. The approvals from your department and faculty must correspond to the information you provide in Sections 1 and 2. Incomplete or incorrect information will result in the course or courses not appearing on your Auckland transcript, or delays in processing your credits. See the following page for examples to help you complete this form. Please contact 360 International with any questions.

Please note: the number of points you were enrolled in for the exchange programme at Auckland is the **maximum** number of points you can transfer.

Student Name:	Student ID Number:	Degree Programme at Auckland:
Period of Exchange:	Host University:	Primary Area of Study on exchange:
Enrolment points during exchange (check SSO):	After the exchange, are you: Applying to graduate	Continuing enrolment in your current programme of study

THE UNIVERSITY OF AUCKLAND

Section 1: Indicate the courses that you studied and passed at the host		Section 2: Show the equivalent Auckland course code and course title, as listed on your course approvals; if				STA ONI	AFF USE LY	
university for which you are expecting credit on your Auckland transcript.there is no equivalent Auckland course, write "n/a – unspecified credit" under "Course Code".In all cases, indicate the number of points and the stage (level) for which your courses were approved (Do not use non-University of Auckland multiples; i.e., 1.3 points per course.)If you studied any courses overseas that you did not receive prior approval for, you must contact your department and faculty for approval as soon as possible.			re approved.	Course approved	Passed at host uni	Credit transferred		
Host Uni Course Code	Host Uni Course Title	Auckland Course Code	Auckland Course Title or Subject (if unspecified credit)	UoA Stage (Level)	# of UoA Points	Course	Passed	Credit t

EXAMPLE PAGE

Example #1

This shows a straightforward course-to-course equivalence:						
Host Uni Course Code	Host Uni Course Title	Auckland Course Code	Auckland Course Title or Subject (if unspecified credit)	UoA Stage (Level)	# of UoA Points	
Biology 3356	Invertebrate Biology	BIOSCI 208	Invertebrate Diversity	2	15	

Example #2

This shows a host university course that has no content equivalence but is assessed as having the same credit value as an Auckland course:						
Host Uni Course Code	Host Uni Course Title	Auckland Course Code	Auckland Course Title or Subject (if unspecified credit)	UoA Stage (Level)	# of UoA Points	
Law 4530	Swedish Law	n/a - unspecified	Law	4	15	

Example #3

This shows that the content of the host university courses is equivalent to specified Auckland courses but the courses are less heavily weighted, so that 3 host university courses = 2 Auckland courses:						
Host Uni Course Code	Host Uni Course Title	Auckland Course Code	Auckland Course Title or Subject (if unspecified credit)	UoA Stage (Level)	# of UoA Points	
Maths IA Maths 1B Maths IC	Functions and Equations Differential Calculus Matrix Algebra	MATHS 102 MATHS 108	Mathematics 2 General Mathematics 1	1	30	

Example #4

This shows that the content of three host university courses is equivalent to four specified (or unspecified) Auckland courses but the courses are more heavily weighted, so that 3 host university courses = 4 Auckland courses:						
Host Uni Course Code	Host Uni Course Title	Auckland Course Code	Auckland Course Title or Subject (if unspecified credit)	UoA Stage (Level)	# of UoA Points	
Engl 2401 Engl 2406 Engl 2409	Contemporary Celtic Literature Scottish Novels after 1800 Scottish Poetry 15th C.	n/a – unspecified n/a – unspecified n/a – unspecified n/a – unspecified	English English English English	2	60
