## Description

---

This Prize marks the Antarctic Conference held at the University of Auckland in 1990 to celebrate 150 years of exploration and science in Antarctica.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize is awarded by the University of Auckland Council on the recommendation of the Head of the School of Biological Sciences

## Regulations

---

1. The Prize shall be known as the Antarctica 150 Prize.
2. One Prize will be awarded annually and will be of the value of \$500.
3. The Prize will be awarded to the student who achieved the highest overall marks in BIOSCI 100 or BIOSCI 100G Antarctica: The Frozen Continent. As a minimum standard, the student must have achieved at least an A- grade. In the event of a tie, the Prize will be awarded to the student who achieved the highest mark in the examination.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the School of Biological Sciences (or nominee).
5. The Prize may not be shared.
6. The Prize shall not be awarded in a particular year if there is no candidate of sufficient merit.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
