Description

This Prize was established in 1988 to honour the outstanding contribution made by Cecil Segedin to the University as a whole, and especially to the Department of Theoretical and Applied Mechanics which he headed from its inception in 1963 until his retirement in 1980.

The purpose of the Prize is to encourage the pursuit of excellence in Engineering Science.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon receiving the recommendation of the Head of the Department of Engineering Science and Biomedical Engineering (or nominee)

Regulations

1. The Prize will be known as the Cecil M Segedin Prize in Engineering Science.
2. One Prize will be awarded annually and will be of the value of \$500.
3. The Prize will be awarded annually to the student enrolled in ENGSCI 700 Research Project in Part IV of the Bachelor of Engineering (Honours) Engineering Science programme whose project best demonstrates the Learning Objectives listed in the course outline. As a minimum standard the student must have achieved at least an A- grade.
4. The Prize will be awarded by the University of Auckland Council upon receiving the recommendation of the Head of the Department of Engineering Science and Biomedical Engineering (or nominee).
5. In the event of a tie, the Head of the Department of Engineering Science and Biomedical Engineering (or nominee) shall determine if the Prize may be shared. Each recipient will be awarded an amount equal to the original value of the Prize.
6. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
7. The University of Auckland Council can amend or vary the above regulations provided that there is no departure from the main purpose of the Prize.
