

Cecil M Segedin Prize In Engineering Science

Code:	P639
Faculty:	Engineering
Applicable study:	Part IV BE(Hons) Research Project in Engineering Science
Closing date:	By nomination
Tenure:	Prize
For:	Prize
Number on offer:	One
Offer rate:	Annually
Value:	\$500

Description

This Prize was established in 1988 to honour the outstanding contribution made by Cecil Segedin to the University as a whole, and especially to the Department of Theoretical and Applied Mechanics which he headed from its inception in 1963 until his retirement in 1980.

The purpose of the Prize is to encourage the pursuit of excellence in Engineering Science.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon receiving the recommendation of the Head of the Department of Engineering Science

Regulations

1. The Prize will be known as the Cecil M Segedin Prize.
2. The value of the Prize will be \$500.
3. The Prize will be awarded each year to the student who received the highest grade in ENGSCI 700 Research Project in Part IV of the Bachelor of Engineering (Honours) Engineering Science programme.
4. The Prize will be awarded by the University of Auckland Council upon receiving the recommendation of the Head of the Department of Engineering Science.
5. The University of Auckland Council will not be bound to award the Prize if in any year there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Engineering Science shall determine if the Prize may be shared. Each recipient will be awarded an amount equal to the original value of the Prize.
7. The University of Auckland Council has the power to amend or vary the above regulations provided that there is no departure from the main purpose of the Prize.
