Description

This Prize was established in 1992 from funds donated to the Department of Mathematics and Statistics by Dr P J Collins, Fellow of St. Edmund Hall, Oxford (a University of Auckland Foundation Visitor) to encourage the study of Mathematics.

Selection process

- Nomination is made to the Scholarships Office
- The Prize is awarded by the University of Auckland Council on the recommendation of the Head of the Department of Mathematics

Regulations

- 1. The Prize will be known as the Collins Prize in Mathematics.
- 2. One Prize will be awarded annually and will be of the value of \$500.
- 3. The Prize will be awarded to the student with the best overall result for a Bachelor of Science (Honours) degree or a Bachelor of Arts (Honours) degree in Mathematics. As a minimum standard the student should have achieved a GPA of at least 7.00 (equivalent to an A- average). In the event of a tie, the Prize will be awarded to the student who achieved the highest aggregate marks in the BSc(Hons) or BA(Hons) in Mathematics.
- 4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Mathematics.
- 5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
- 6. The Prize may not be shared.
- 7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
