Description

The Award was established in 2021 and is funded by the Department of Engineering Science and Biomedical Engineering.

The intention of the Award is to encourage and support students to undertake a Master of Engineering in Engineering Science or a Master of Operations Research and Analytics in the Department of Engineering Science and Biomedical Engineering at Waipapa Taumata Rau, University of Auckland.

Selection process

- Nomination is made to the Scholarships Office
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Award will be known as the Department of Engineering Science and Biomedical Engineering Masters Award.
2. Awards will be made annually for a period of up to one year and will cover the cost of compulsory tuition fees for a Master of Engineering or Master of Operations Research (see Note I). Payment and tenure will be pro-rated for part-time study.
3. To be eligible for Award consideration, a candidate must be i) a New Zealand Citizen or Permanent Resident (see Note II), ii) enrolled, or enrolling, full-time or part-time, in ENGSCI 796 in a Master of Engineering or ENGSCI 798 in a Master of Operations Research and Analytics in the Department of Engineering Science and Biomedical Engineering in the Faculty of Engineering at the University of Auckland.
4. The basis of selection will be academic achievement as assessed by the grade point average (GPA) or grade point equivalent (GPE) calculated over the most recent qualifying programme (see Note II) and the nature and quality of the research proposal. The following departmental strategic priority may also inform selection: support for candidates who wish to work i) in new areas of research where other sources of funding are difficult to find, ii) with new members

- of staff who are just establishing their research programme, and/or iii) on research projects of strategic importance to the Department of Engineering Science and Biomedical Engineering (see Note IV).
5. The Award will be made by the University of Auckland Council upon the recommendation of a Selection Committee comprising the Head of the Department of Engineering Science and Biomedical Engineering (or nominee), the Deputy Head of Department (Research) and the Departmental Postgraduate Advisor from the Department of Engineering Science and Biomedical Engineering (or their nominees).
 6. To be paid the Award, awardees must be enrolled full-time or part-time in ENGSCI 796 in a Master of Engineering or ENGSCI 798 in a Master of Operations Research and Analytics in the Department of Engineering Science and Biomedical Engineering.
 7. Payment will be made as a compulsory fees credit in each semester of enrolment.
 8. The Award may not be held with a University of Auckland Research Masters Scholarship, a University of Auckland Pacific Postgraduate Scholarship, a University of Auckland Māori Postgraduate Scholarship, or a Department of Engineering Science and Biomedical Engineering Masters Scholarship. However, it may be held with any other scholarship, award or grant where the Regulations for that scholarship, award or grant permit and where the University of Auckland Council is informed and approves. It is the responsibility of the awardee to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in payment for this Award.
 9. The University of Auckland Council has the power to terminate or suspend an Award if it receives a report of unsatisfactory progress by a Scholar from the Associate Dean (Postgraduate Research) of the Faculty of Engineering.
 10. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
 11. The University of Auckland Council can amend or vary these Regulations provided that there is no departure from the main purpose of the Award.
 12. Notes [I] – [V] below are deemed to be Regulations.

Notes

- I. Compulsory tuition fees are only those related to the relevant programme of study, plus Student Services Fee.*
- II. New Zealand Permanent Residents have been granted a Permanent Resident Visa by Immigration New Zealand. For more information visit <https://www.immigration.govt.nz/new-zealand-visas/already-have-a-visa/becoming-a-permanent-resident>.*
- III. The most recent qualifying programme is defined as the most recently completed programme of study that qualifies the applicant for entry to the research masters programme for which they are applying. Where the qualifying programme is a conjoint programme the GPA/GPE will be calculated over the relevant component of the conjoint programme. The maximum approved exchange or transfer credit that can be excluded from the GPA/GPE calculation for the qualifying programme is 60 points. Where a bridging programme, including a Transitional Certificate, Graduate Diploma or Certificate of Proficiency, is required to qualify the applicant for entry to the postgraduate programme in which they are applying, the qualifying programme is the bridging programme and the most recently completed prior programme.*
- IV. The research proposal must have been assessed and approved by the supervisor of the thesis at the Department of Engineering Science and Biomedical Engineering.*
- V. Awardees will be required to comply with the regulations for the Award and must notify the Scholarships Office of any change in their enrolment, employment or funding status. Waipapa Taumata Rau, University of Auckland may, in the event that it can be established that an awardee is not complying with these regulations, terminate the Award and require repayment of the funds received from the date of the breach.*
