Description

The Award was established in 2024 and is funded by Dr Christopher Bennett, an alumnus of the University of Auckland who has worked on road safety and infrastructure management in 24 different countries, including 17 years as Lead Transport Specialist for the World Bank, where he led the development of road asset management tools used around the world.

The main purpose of the Award is to encourage students into the fields of road safety and/or transport infrastructure management. These are critical areas for society's ongoing social and economic development.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- Short-listed applicants may be required to attend an interview
- The Award is made by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Award will be known as the Dr Christopher R. Bennett Award in Transportation Engineering.
2. One Award will be made annually for a period of up to one year and will be of the value of up to \$10,000. The awardee may also be offered mentoring during the tenure of their Award.
3. To be eligible for Award consideration, an applicant must be i) a New Zealand Citizen or Permanent Resident of New Zealand (see Note II), ii) enrolled, or enrolling full-time in either Part III or IV of a Bachelor of Engineering (Honours) in Civil Engineering or any year of a Master of Civil Engineering in Transportation Engineering in the Faculty of Engineering and Design at Waipapa Taumata Rau, University of Auckland. Applicants must be enrolling in both Semester One and Two in the year of the award to be eligible for consideration for the Award. Masters students who are enrolled in an extension are not eligible for consideration for the Award.

4. The basis of selection will be academic achievement (see Note III), the applicant's interest in Transportation and desire to pursue a career in the fields of road safety or transportation infrastructure management as assessed by a personal statement, financial need as assessed by a personal statement and the criteria at Note IV, and performance in an interview (if required, see Note V). The following criteria may also inform selection: the donor's interest in supporting i) Māori applicants, and/or ii) Pacific applicants, and/or iii) applicants who are the first in their family to attend university, and/or iv) applicants from a refugee background, and/or v) applicants with disabilities (see Notes VI to IX). Short-listed applicants may be required to attend an interview with the Selection Committee.
5. The Award will be made by the University of Auckland Council on the recommendation of a Selection Committee comprising the Head of the Department of Civil and Environmental Engineering (or nominee), an academic staff member from the Department of Civil and Environmental Engineering nominated by the Head of Department, and a representative of the donor.
6. The Award will be paid in two equal instalments in Semester One and Two, as soon as is practical after confirmation of the awardee's enrolment (that is, after the final date on which a student may add or delete courses without incurring a late enrolment fee).
7. To be paid the Award, the awardee must be enrolled full-time in either Part III or IV of a BE(Hons) in Civil Engineering, or full-time in both Semester One and Two if enrolled in a MCivilEng (see Note X). Payment of the second instalment is subject to satisfactory academic progress as determined by a passing GPA in Semester One where a GPA is available, or a report of satisfactory progress from the Head of the Department of Civil and Environmental Engineering where a grade or GPA is not yet available (see Note XI).
8. The Award may be held with any other scholarship, award or grant as long as the regulations for that scholarship, award or grant permit and the University of Auckland Council is informed and approved. It is the responsibility of the awardee to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in payment for this Award.
9. The University of Auckland Council, in consultation with the donor, has the power to terminate or suspend an Award if it receives a report of unsatisfactory progress by a Scholar from the Head of the Department of Civil and Environmental Engineering.
10. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
11. Payments under the terms of this Award remain tax-free as long as they are used directly for the payment of costs associated with an awardee's programme of study and/or to assist the awardee with living costs while studying (see Note I). Failure to comply with this regulation will result in the termination of the Award.
12. The University of Auckland Council, in consultation with the donor, can amend or vary these regulations provided that there is no departure from the main purpose of the Award.
13. Applications close with the Scholarships Office on 1 May in the year of the award.
14. Notes [I]-[XII] below are deemed to be Regulations.
