- A Selection Committee assesses the application
- Short-listed candidates may be required to attend an interview
- The scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarship will be known as the Electricity Engineers' Association Scholarship.
2. Two Scholarships of \$4,500 will be offered each year and will be tenable for a period of one year by a student who is a New Zealand citizen or permanent resident, who is enrolled full-time and has paid the fees, or arranged to pay the fees, for Year 4 of the Bachelor of Engineering (Honours) at the University of Auckland and is specialising in engineering disciplines relevant to electricity generation or production, power systems, or electricity utilisation.
3. The award will be made by the University of Auckland Council on the recommendation of a Selection Committee, which will comprise the Vice Chancellor (or nominee), the Dean of the Faculty of Engineering (or nominee) and a representative of the Electricity Engineers' Association.
4. The University of Auckland Council is not obliged to make any award if in any year there are no candidates of sufficient merit.
5. Selection will be based on academic merit (see Note I), leadership potential, personal qualities and communication skills, and the candidate's potential contribution to the development of engineering in electricity generation or production, power systems, or electricity utilisation in New Zealand.
6. The Scholarship will be payable in one instalment.
7. The Scholarship may be held with any other award or grant as long as a) the terms of that award or grant permit, and b) the University of Auckland Council is informed and approves. It is the responsibility of the recipient to declare to

- the Scholarships Office all other grant, award or scholarship funding received while in payment for this Scholarship.
8. The Scholarship may be terminated by the University of Auckland Council on receipt of an adverse report on the progress of the recipient from the Selection Committee.
 9. Conditions of the award of the Scholarship may be varied from time to time by the University of Auckland Council after consultation with the Electricity Engineers' Association.
 10. Applications close with the Scholarships Office on 1 May in the year of the award.
 11. Note [I] is deemed to be a Regulation.

Notes

- I. For the purpose of this Scholarship, academic merit is assessed as a Scholarships GPA or GPE obtained over the applicant's most recent two years of full-time graded study.*
