

Engineering New Zealand Transportation Group Prize

Code:	P106
Faculty:	Engineering and Design
Applicable study:	CIVIL 361
Closing date:	By nomination
Tenure:	Prize
For:	Prize
Number on offer:	One
Offer rate:	Annually
Value:	\$500

Description

The Engineering New Zealand Transportation Group Prize was established in 2015 by Engineering New Zealand (formerly Institution of Professional Engineers New Zealand (IPENZ)) Transportation Group.

The main purpose of the Prize is to reward excellence and foster interest in transportation facility design and operations.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Civil & Environmental Engineering

Regulations

1. The Prize will be known as the Engineering New Zealand Transportation Group Prize.
2. The Prize will be \$500 and a certificate (see Note 1).
3. The Prize will be awarded annually to the full-time student who achieved the highest grade in CIVIL 361 – Transportation Engineering 2. In the event of a tie, the Prize will be awarded to the student who achieved the highest mark. As a minimum standard, the recipient should have achieved an A- grade.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Civil & Environmental Engineering.
5. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.

Notes

1. The certificate will be provided by Engineering New Zealand.
