Regulations

1. The Award will be known as the Faculty of Creative Arts and Industries International Student Masters Award.
2. Up to ten Awards will be made annually (see Note I), and will comprise a contribution of up to \$15,000 towards compulsory tuition fees and compulsory international student health cover for international students enrolled full-time in masters level study in the Faculty of Creative Arts and Industries (see Notes II and III).
3. To be eligible for consideration, an applicant must i) be a new international student (see Note IV), ii) have received a conditional or unconditional offer of admission, and iii) be enrolled, or enrolling, full-time in a masters programme in the Faculty of Creative Arts and Industries at Waipapa Taumata Rau, University of Auckland in the following year. Students who have already commenced study at Waipapa Taumata Rau, University of Auckland will not be eligible for consideration. A grade point equivalent (GPE) of at least 5.50 is required for Award consideration (see Note V).
4. The primary basis of selection will be academic achievement as assessed by the grade point equivalent (GPE) assessed over the applicant's most recent qualifying programme (see Note V) and the quality of the applicant's

portfolio or practice submitted with their application for admission to the masters programme. The alignment between a) the programme of study and/or country of origin of the applicant, and/or the prior tertiary institutions attended by the applicant and b) the University's strategic aims and the objectives of the Faculty of Creative Arts and Industries may also be taken into consideration by the Selection Committee.

5. The Award will be made by the University of Auckland Council on the recommendation of a Selection Committee comprising the Dean of the Faculty of Creative Arts and Industries (or nominee), the Associate Dean (International) (or nominee), and an additional academic staff member appointed by the Dean.
6. The Award will be paid as a contribution towards compulsory tuition fees in Semester One (see Notes I to III), as soon as is practical after confirmation of the awardee's enrolment (that is, after the final date on which a student may add or delete a course without incurring a late enrolment fee).
7. To be paid the Award, awardees must be enrolled full-time in their first semester of a masters programme in the Faculty of Creative Arts and Industries at Waipapa Taumata Rau, University of Auckland.
8. As a condition of tenure, awardees will be required to enrol full-time for at least two semesters of study in the Faculty of Creative Arts and Industries at Waipapa Taumata Rau, University of Auckland (see Note VI).
9. The Award may be held with any scholarship, award or grant as long as the regulations for that scholarship, award or grant permit and the University of Auckland Council is informed and approves. It is the responsibility of the awardee to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in receipt of this Award.
10. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
11. The University of Auckland Council has the power to terminate or suspend an award if it receives a report of unsatisfactory progress by a Scholar from the Associate Dean (International) of the Faculty of Creative Arts and Industries.
