## Description

The Scholarship was established in 2009 and is funded as the result of a gift by Bronwyn Paterson and George Smith to the Friends of the University of Auckland (Inc).

It is named after Frances Barkley, who in 1787, was the first European woman to visit British Columbia (with her husband Charles Barkley). She was quite an adventurer, and spent 8 years traveling the world, visiting and trading in remote and exotic places.

The main purpose of the Scholarship is to support undergraduate Māori and Pacific students to complete a Bachelor of Science degree or a Bachelor of Advanced Science (Honours) degree majoring in Biological Sciences, Biomedical Sciences, Ecology or Marine Science.

## Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

If the recipient's fees have already been covered by any fee-paying scheme, scholarship or award, the value of the Frances Barkley Scholarship may be paid out in two equal lump sum payments in the third week of Semester One and Semester Two to assist the recipient with living costs (see Note V). Part-time students will be paid on a pro-rata basis.
  8.
