Description

The Scholarship was established in 2021 and is funded by Gentrack, a New Zealand technology business specialising in innovative cleantech solutions, in memory of Professor Victor Portougal, who was an academic staff member in the Department of Information Systems and Operations Management, with research interests in management science and information systems.

The main purpose of the Scholarship is to encourage and support Information Systems and Software Engineering students with an interest in cleantech, sustainability powered by information systems and operations management.

Selection process

- Application is made to the Scholarships Office
- A Selection Committee assesses the applications
- The Scholarship is awarded by the University of Auckland Council on the recommendation of the Selection Committee

Regulations

1. The Scholarship will be known as the Gentrack Professor Victor Portougal Scholarship.
2. Two Scholarships will be awarded annually each for a period of up to two years and will be of the value of \$2,500 per annum each (see Note II).
3. To be eligible for Scholarship consideration, an applicant must be i) a New Zealand Citizen or Permanent Resident (see Note III), ii) enrolled full-time in either Year 2 of a Bachelor of Commerce (BCom) in Information Systems, or Part II of a Bachelor of Commerce/Bachelor of Engineering (Honours) (BCom/BE(Hons)) in Information Systems and/or Software Engineering. A grade point average (GPA) or grade point equivalent (GPE) of 6.00 (5.50 for Māori and Pacific applicants) is required for Scholarship consideration (see Note IV).
4. The basis of selection will be academic merit (see Note IV) and the applicant's interest in cleantech, sustainability and/or information systems and operations management as assessed by a personal statement.
5. The Scholarship will be awarded by the University of Auckland Council on the recommendation of a Selection Committee comprising the Head of the Department of Information Systems and Operations Management (or

nominee), the Head of the Department of Electrical, Computer, and Software Engineering (or nominee), and a representative of the donors.

6. The Scholarship will be paid on one lump sum in Semester Two each year, as soon as is practical after confirmation of the awardee's enrolment (that is, after the final date on which a student may add or delete courses without incurring a late enrolment fee).
7. To be paid the first instalment of the Scholarship, awardees must be enrolled full-time in either Year 2 of a BCom in Information Systems, or Year 2/Part II of a BCom/BE(Hons) in Information Systems and/or Software Engineering. To be paid the second instalment, awardees must be enrolled in Year 3 of a BCom in Information Systems or Year 3/Part III of a BCom/BE(Hons) in Information Systems and/or Software Engineering. BCom/BE(Hons) students must be enrolled in at least 15 points of courses in either Information Systems or Software Engineering each year to be paid the Scholarship.
8. The Scholarship may be held with any other scholarship, award or grant as long as the regulations for that scholarship, award or grant permit and the University of Auckland Council is informed and approved. It is the responsibility of the awardee to declare to the Scholarships Office all other scholarships, awards or grant funding received and for which the awardee receives payment while also in payment for this Scholarship.
9. The University of Auckland Council, in consultation with the donor, has the power to terminate or suspend a scholarship if it receives a report of unsatisfactory progress by a Scholar from the relevant Head of Department.
10. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
11. Payments under the terms of this Scholarship remain tax-free as long as they are used directly for the payment of costs associated with an awardee's programme of study and/or to assist the awardee with living costs while studying (see Note I). Failure to comply with this regulation will result in the termination of the Scholarship.
12. The University of Auckland Council, in consultation with the donor, can amend or vary these regulations provided that there is no departure from the main purpose of the Scholarship.
13. Applications close with the Scholarships Office on 9 July in the year of the award.
14. Notes [I]-[IV] below are deemed to be Regulations.
