Description

The Prize was established in 2000 and is financed by Hawkins Construction Limited.

The main purpose of this Prize is to recognise students with the highest marks in the course Civil 791 Construction Management.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Civil and Environmental Engineering

Regulations

1. The Prize will be known as the Hawkins Construction Limited Construction Management Prize.
2. The value of the Prize will be \$1,000.
3. The Prize will be awarded annually to a suitable candidate who is a full-time student achieving the best grades in CIVIL 791.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Civil and Environmental Engineering.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the Department of Civil and Environmental Engineering will determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these Regulations provided that there is no departure from the main purpose of the Prize.
