Description

The Award was established in 2016 and is financed by a bequest from the estate of Vinka Marinovich, in memory of her brother who passed away while a student of Engineering at the University of Auckland.

The main purpose of the Award is to support women enrolled in undergraduate or postgraduate study in the Faculty of Engineering at Waipapa Taumata Rau, University of Auckland. The Award is intended for students studying full-time towards a qualification; however, the Trustees recognise that health conditions or impairments can limit a person's ability to study full-time and have extended the Award in 2023 to include part-time study on a case-by-case basis.

Selection process

- Application is made to the Scholarships Office
- The Kate Edger Foundation assesses the applications
- The Award is made by the University of Auckland Council on the recommendation of the Kate Edger Foundation

Regulations

1. The Award will be known as the Kate Edger Foundation - Vinka Marinovich Award in Engineering.
2. Two Awards will be made annually, each for a period of one year, and will be of the value of up to \$2,000 each.
3. To be eligible for Award consideration, an applicant must be i) a woman, ii) a New Zealand Citizen or Permanent Resident (see Note II), and iii) be enrolled, or enrolling, full-time in either Part III or IV of a Bachelor of Engineering (Honours) (BE(Hons), or a masters degree or PhD in the Faculty of Engineering at Waipapa Taumata Rau, University of Auckland. 5. The Award will be made by the University of Auckland Council on the recommendation of the Kate Edger Foundation.

9. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
10. Payments under the terms of this Award remain tax-free as long as they are used directly for the payment of costs associated with an awardee's programme of study and/or to assist the awardee with living costs while studying (see Note I). Failure to comply with this regulation will result in the termination of the Award.
