Description

The Prize was established in 1981 by Mrs Mavis Mortimer in memory of her husband, the late Kingsley E Mortimer, who was Associate Professor in Anatomy in the School of Medicine from 1969 to 1975. It is financed from trust funds established at the time.

The main purpose of the Prize is to recognise the student who achieves the highest marks in the practical skills tests for the MBChB Part II.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Anatomy and Medical Imaging

Regulations

1. The Prize will be known as the Kingsley Mortimer Memorial Prize.
2. The value of the Prize will be \$500.
3. The Prize will be awarded annually to the full-time student who achieved the highest aggregate marks in the practical skills tests for the MBChB Part II. As a minimum standard, the student should have achieved at least 70% of the obtainable aggregate marks. In the event of a tie, the Prize will be awarded to the student with the highest overall GPA.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Anatomy and Medical Imaging.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. The Prize may not be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
