Faculty:	Science
Applicable study:	MSc thesis in Environmental Science
Closing date:	By nomination
Tenure:	Prize
For:	Prize
Number on offer:	One
Offer rate:	Annually
Value:	\$1,000

Description

The Prize was established in 2005 and is financed from funds donated by Neil McEnteer and Kathryn Moore to commemorate Kathryn's great aunt, Lucy Beatrice Moore, who graduated MSc in Botany at Auckland University College in 1929.

The main purpose of the Prize is to encourage the study of environmental science.

Selection process

- Nomination is made to the Scholarships Office
- The Prize is awarded by the University of Auckland Council on the recommendation of the Head of the School of Environment

Regulations

1. The Prize will be known as the Lucy Beatrice Moore Prize in Environmental Science.
2. The value of the Prize will be \$1,000.
3. The Prize will be awarded annually to the full-time student achieving the best grade for an MSc thesis in Environmental Science completed in that year.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Environment.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the School of Environment shall determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
