- The Prize will be awarded by the University of Auckland Council after receiving a recommendation from the Head of the Department of Civil Engineering through the Faculty of Engineering

Regulations

1. The Prize will be known as the New Zealand Automobile Association Prize in Transportation Engineering.
2. The value of the Prize will be $500 and will include a certificate.
3. The Prize will be awarded annually to the student who produces the most outstanding work in course CIVIL 759 in Part IV of the Civil Engineering programme for the Degree of Bachelor of Engineering.
4. The Prize will be awarded by the University of Auckland Council after receiving a recommendation from the Head of the Department of Civil Engineering through the Faculty of Engineering.
5. A portion of the emolument will be expended by the winner on books approved by the Head of Department of Civil Engineering.
6. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
7. In the event of a tie, the Head of the Department of Civil Engineering will determine, in consultation with the New Zealand Automobile Association if the Prize may be shared.
8. The University of Auckland Council has the power to amend or vary these regulations with the approval of the New Zealand Automobile Association, provided that there is no departure from the main purpose of the Prize.
