## Description

---

This Prize was established in 1972 by the Auckland Branch of the New Zealand Institute of Chemistry, to encourage the study of Chemistry.

## Selection process

---

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Chemical Sciences

## Regulations

---

1. The Prize will be known as the New Zealand Institute of Chemistry (Auckland Branch) Prize.
2. The value of the Prize will be \$250.
3. The Prize will be awarded annually to the student enrolled in a Bachelor of Science (Honours) in Chemistry or Medicinal Chemistry or the first year of a 240 point Master of Science in Chemistry who has achieved the highest grade point average (GPA) across all courses in the BSc (Hons) or the first 120 points of the MSc completed in the year of the award.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Chemical Sciences.
5. The Prize may not be shared.
6. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
