Description

The Orthopaedic Surgery Prize was established in 2012 by the Department of Surgery in recognition of the importance of musculoskeletal conditions in the general population.

The main purpose of the Prize is to recognise the student who achieves the highest overall marks in the Musculoskeletal attachment of the MBChB Part IV, based on their combined ward attachment and examinations marks.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Surgery

Regulations

1. The Prize will be known as the Orthopaedic Surgery Prize.
2. The value of the Prize will be $500.
3. The Prize will be awarded annually to the full-time student enrolled in the MBChB Part IV who has achieved the highest overall marks in the Musculoskeletal attachment, based on their combined examination and ward attachment marks.
4. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Surgery.
5. In the event of a tie, the Head of the Department of Surgery will determine, in consultation with the Head of School of Medicine, if the Prize may be shared.
6. The University of Auckland Council is not obliged to make an award if in any year there is no candidate of sufficient merit.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
