Description

The Prize was established in 1996 by the Department of Community Health and is funded by the School of Population Health.

The main purpose of the Prize is to reward and encourage excellence in Part II of the Master of Public Health.

Selection process

- Nomination is made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Population Health

Regulations

1. The Prize will be known as the School of Population Health Prize in Public Health.
2. The Prize will be of the value of \$500.
3. The Prize will be awarded annually to the most outstanding student completing Part II of the Master of Public Health in the School of Population Health at the University of Auckland.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the School of Population Health.
5. The University of Auckland Council will not be bound to award the Prize in any year if there is no candidate of sufficient merit.
6. In the event of a tie, the Head of the School of Population Health shall determine if the Prize may be shared.
7. The University of Auckland Council has the power to amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
