Regulations

1. The Prize will be known as the Seiichi Waki Prize.
2. The Prize will be awarded annually and will be of the value of \$500.
3. The Prize will be awarded annually to the student enrolled in a masters programme in Physics who, subject to Regulation 4, achieved the highest grade in a masters thesis. As a minimum standard, the student must have achieved at least an A- grade. In the event of a tie, the Prize will be awarded to the student whose thesis is deemed to make the biggest contribution toward the field of research.
4. The Prize will not be awarded conjointly with the Sagar Geophysics Prize.
5. The Prize will be awarded by the University of Auckland Council on the recommendation of the Head of the Department of Physics (or nominee).
6. The Prize may not be shared.
7. The University of Auckland Council will not be bound to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
8. The University of Auckland Council can amend or vary these regulations provided that there is no departure from the main purpose of the Prize.
