Description

The Prize was established in 2008 and is financed by the School of Medicine.

The main purpose of the Prize is to acknowledge excellence in Reproductive Biology.

Selection process

- Nomination will be made to the Scholarships Office
- The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Obstetrics and Gynaecology

Regulations

1. The Prize will be known as the Sir William Liley Prize for Excellence in Reproductive Biology.
2. The value of the Prize will be \$500.
3. The Prize will be awarded annually to the student who achieved the highest grade in MEDSCI 313 Reproductive Biology. As a minimum standard, the student must achieve an A grade. In the event of a tie, the Prize will be awarded to the student who achieved the highest mark.
4. The Prize will be awarded by the University of Auckland Council upon the recommendation of the Head of the Department of Obstetrics and Gynaecology.
5. The Prize may not be shared.
6. The University of Auckland Council has the power to amend or vary these Regulations provided that there is no departure from the main purpose of the Prize.
