Regulations

1. The Scholarship shall be known as The Marie Clay Literacy Trust Trainer Doctoral Scholarship.
2. One Scholarship will be awarded every three years and will be of the value of up to \$70,000 per annum in total, comprising a fortnightly stipend and compulsory fees for domestic EdD students and for domestic and international students who are eligible to study under the PhD domestic tuition fees policy, and compulsory international student health insurance, where applicable for up to 36 months full-time equivalent (see Notes II and III). Payment and tenure will be pro-rated for part-time students.
3. The Scholarship may be awarded for full-time or part-time enrolment in a PhD, or for domestic enrolment in a Doctor of Education (EdD) in the Faculty of Education and Social Work at Waipapa Taumata Rau, University of Auckland, for applicants undertaking research that relates to Reading Recovery (see Note IV).
4. The Scholarship is tenable by domestic students and by international students who are eligible to study under the PhD domestic tuition fees policy (see Note III).
5. The basis of selection will be academic merit, the quality, nature and relevance of the proposed research, endorsement by the main supervisor, and how the applicant intends to use the funding to benefit reading recovery as assessed by a personal statement. Matters that may be considered in relation to academic merit include, but are not

limited to, academic record, standing of awarding institution, academic references, CV, research and publication record.

6. The Scholarship will be awarded by the University of Auckland Council on the recommendation of a Selection Committee comprising the Head of School of Curriculum and Pedagogy (or nominee), the Director of Reading Recovery (or nominee) and one representative of The Marie Clay Literacy Trust.
7. Applicants who have been offered a Scholarship must meet all requirements for admission into their intended programme and all requirements of their Scholarship offer to take up the Scholarship. No payments will be made until all requirements have been met (see Note V).
8. The Scholarship must be taken up by one of the dates prescribed in the letter of award, otherwise the Scholarship offer will be forfeited (see Notes V and VI).
9. Scholarship payments will commence on the initial date of enrolment in the doctoral programme and will provide support for up to 36 months of full-time study. A further six months of scholarship funding at the University of Auckland Doctoral Scholarship rate, subject to Scholarships Committee approval, may be available to candidates undertaking a PhD. These durations shall be pro-rated for part-time scholarship awardees.
10. Holders of the Scholarship may apply to suspend their Scholarship for up to 12 months in total during the tenure of their award (see Notes VII and VIII).
11. The amount of additional and paid work a Scholar enrolled in a PhD or the thesis component of an EdD may undertake either inside or outside the University shall not exceed a total of 750 hours per scholarship year (see Note IX). For the avoidance of doubt, students enrolled part-time in the 120 point coursework component of the EdD are excluded from this limit on additional and paid work.
12. Any additional tuition fee, stipend or top-up scholarship received from any other award or scholarship must be declared to the Scholarships Office upon receipt of the offer from the awarding body or receipt of the University of Auckland Doctoral Scholarship offer, whichever is later (see Note X).
13. Scholarships Committee will determine if additional tuition fee, living stipend or top-up scholarships may be co-tenured with The Marie Clay Literacy Trust Doctoral Scholarship (See Notes X and XI).
14. Payments under the terms of this Scholarship remain tax-free as long as they are used for the payment of costs associated with an awardee's programme of study and/or to assist the awardee with living costs while studying. Failure to comply with this regulation will result in the termination of the Scholarship.
15. The University of Auckland Council, in consultation with the Donor, has the power to terminate or suspend an Award if it receives a report of unsatisfactory progress of a Scholar from the Head of School of Curriculum and Pedagogy.
16. The University of Auckland Council is not obliged to make an award if it is determined there is no candidate that meets the criteria and/or no candidate of sufficient merit.
