Waipapa Taumata Rau, University of Auckland may, in the event that it can be established that an awardee is not complying with these regulations, terminate the Scholarship and require repayment of the funds received from the date of the breach.*
- IX. If an awardee is overpaid an amount in excess of a full fortnightly disbursement, the University may recover the overpayment by withholding future award payments at the same rate that the award was overpaid or, if the awardee is no longer enrolled, the University may recover the overpayment in line with standard debt collection practices.*
